THE TRIAD...CHECK IT OUT!

YOU AND THE STARS

Continued From Page 11
benefit through employment. Keep up social activities. You could gain public prominence. Many Geminians may be setting the wedding date in the near future.

CANCER-JUN 21-JUL 22
You may have to wait longer than you expected to accumulate a big bankroll which you may have expected and is due you. You are on firmer foundations and can expect steady expansion for your aims. You make important family decisions now.

LEO-JUL 23-AUG 22
Postponement of personal projects in deference to business responsibilities which are lining up promises financial rewards for you. Restricting conditions continue. Do not let impatience cause disapproval of companions and associates. Strive for cooperation.

VIRGO-AUG 23-SEP 22
Those of your sign who don't mind putting in a little extra time and effort can reap a financial harvest. Aspects predict a flow of energy to help you reach goals. Study and travel is in your picture now. Love-life can be active but shows no longlasting elements.

LIBRA-SEP 23-OCT 22
Venus, ruler of your sign, is beginning its long stay in the partnership sector of your chart this week, putting emphasis on working with others in creative and speculative

ventures. Your naturally gracious personality attracts love and admiration.

PISCES-FEB 19-MAR 20
A whole bunch of planets are stirring up activity in your private affairs. Be warned against sneaky and dishonest impulses you feel because you want to upset someone. Look to art, music and business opportunities for peace of mind. You have a breathing spell which can be used constructively in face of difficulties.

SCORPIO-OCT 23-NOV 22
This month begins with positive aspects as beneficial planets are helping you in the important sixth, and seventh sectors of career and partnership matters. You will have the regard and help of others. Profitable decisions and agreements can be reached. Romantic relations continue as in January.

SAGITTARIUS-NOV 23
DECEMBER-21
Business and financial affairs continue to dominate your time. Try to settle major business matters now. You may do a lot of moving about and traveling in regard to health, work and business. Venus brings the opposite sex in cooperative situations. Employment and money matters looks expansive.

CAPRICORN-DEC 22
JANUARY 19
You shine this week as a number of major happenings start the month off for you. You appear happy and your personality takes on extra charm. Your picture for romance is wide open. Enjoy new relationships which could blossom into love. Profitable cash gains are possible now.

AQUARIUS-JAN 20
FEBRUARY 18
Not the brightest stars are shining on your horizon now. You feel restricted and fenced in. Delays in career matters will not help. Do not let this temporary negative cycle disrupt your vital relationships. Little things could grow into mountains, for which you will later regret.
