

Poetic Dimensions

Readers! Hello there and you are simply beautiful! Now without further delay, let's get into ...

Winter Coldness

by Brian Parker

Winter can be harmful
Winter can be fun,
I'd rather see it snow
Than to see the shining sun!

Winter is so snowy
And a lot of fun to me,
But if winter gets colder
We'll lose our economy.

Winter is a threat
Winter is a chill,
When I step outside
Winter's on the grill!

Now, Dianne Norwood Worthy has a few beautiful words about ...

Evolution

by Dianne N. Worthy

I am sand and clay

From a dark continent across the waters
Where the sun beats down and the soul is true.

I am a clod carried in huge vessels
That sail the violent waves!
Clod to be trampled, mashed, broken --
In a land where a soul is weakened!
I am nothingness being shaped into
nothingness!

Black into red into brown into white
Into a conglomerate of souls!

I am stone chisled by hands
Ignorant of what they do!
I stand a sculpture, a monument
From decades past shrouded
In sweat and blood --

Pride and humiliation, dignity
And deprivation, cruelty and determination
And the soul is strong!

I am a product of evolution
An American Black!

Finally ...

Winter Is Exciting
[Edited] by Larry Haider

Winter is exciting
And very agonizing
When we go out to play
Everybody likes to sleigh.

Snowmen are fun to make.
Then people take the things that we make
To build our snowman!

In Parting: Remember: This is Black History Month. Make your mark in history by reading the Chronicle -- your hometown weekly!

Hint #3 How to flake Jell-O®

BRAND GELATIN

Prepare any flavor JELL-O® Gelatin as directed on package, reducing cold water to ¾ cup. Chill in shallow pan until firm; then break into small flakes with a fork. For more tips send \$1.00 to: The New Joys of Jell-O® Recipe Book, Post Office Box 3168, Kankakee, Illinois 60901.

Jell-O is a registered trademark of General Foods Corporation.
