Drill Team

witness their performance," Lucas said.

The youngsters hold their practice sessions at the YMCA. They practice three to six times a week for two hours. During the sessions they demonstrate and create their drill steps with assistance from Omega Psi Phi. "The boys are creative and can do things on their own," Lucas said, "I just supervise."

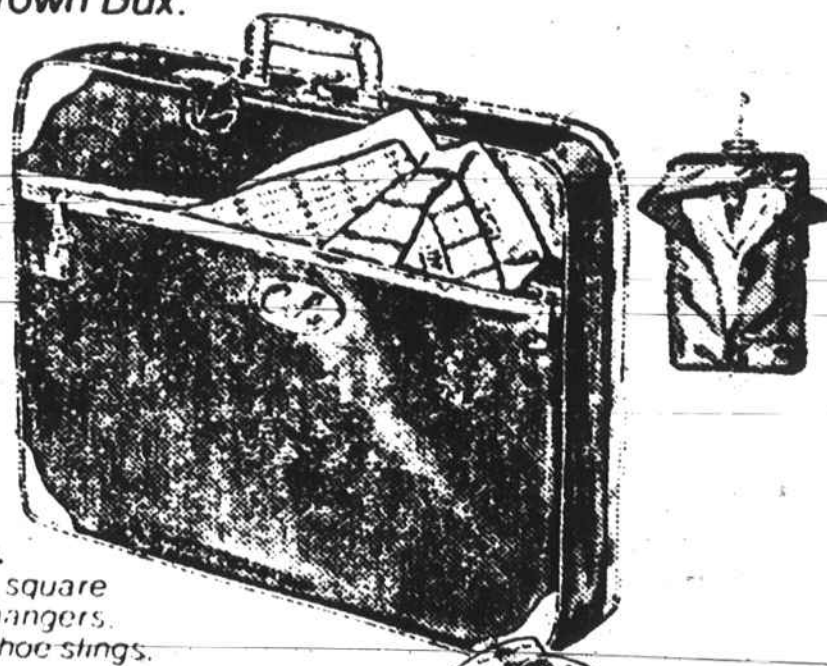

Before becoming a drill team member the new candidate receives training in the basic drill steps. The drill team administers a test in these drills which determine a new member by his score on the test. If the candidate receives a high test score he becomes a member of the drill team and his parents receive membership in the Cadet Parent Council.

Some parents provide transportation to local performances while others accompany the boys to distant engagements. Margaretta Key, Mrs. Love and Mrs. Ricky Wilson design the boys' outfits.

The Drill Team performs at basketball games, outdoor gatherings, picnics and other events or programs, free of charge. Their next performance will be held February 26, 1977 at half time during the CIAA Tournament in Hampton, Virginia.
