**ADVERTISEMENT FOR BIDS
CITY OF WINSTON-SALEM, N.C.
DIESEL CRAWLER TRACTOR LOADER**
Bids will be opened **TUESDAY, APRIL 4, 1978 at 10:00 a.m.** in the City Hall for **DIESEL CRAWLER TRACTOR LOADER**. Instructions for submitting bids and complete specifications for the equipment, supplies or services desired may be obtained at the office of the City/County Purchasing Agent in the Winston-Salem Service and Loan Building, Ground Level, during regular office hours.

**ADVERTISEMENT FOR BIDS
CITY OF WINSTON-SALEM, N.C.
STRIPING CONTRACT**
Bids will be opened **TUESDAY, APRIL 11, 1978 at 10:00 a.m.** in the City Hall for **Striping Powder**. Instructions for submitting bids and complete specifications for the equipment, supplies or services desired may be obtained at the office of the City/County Purchasing Agent in the Winston-Salem Service and Loan Building, Ground Level, during regular office hours.

**ADVERTISEMENT
CITY OF WINSTON-SALEM, N.C.
NOTICE TO CONTRACTORS**
Sealed bids endorsed on the outside of the envelope with name of bid and time and date of opening will be received by the Purchasing Division of the City of Winston-Salem in Room 215 in the City Hall until 2:00 p.m., April 4, 1978 at which time and place all bids will be publicly opened and read for the work described below:

The work upon which bids are to be received relates to the installation of new Air Condition Systems for comfort cooling at the following location:
**OLD CITY HOSPITAL, 1621 E. 3rd Street,
WINSTON-SALEM, NORTH CAROLINA**

Plans and specifications will be on file and may be obtained at the Property Management Division of the Public Works Department, City Hall, Winston-Salem, North Carolina.

All contractors are hereby notified that they must have proper license under the State laws governing their respective trades at time of submitting bid. Each bid shall be accompanied by a cash deposit or a certified check on some bank or trust company insured by the Federal Deposit Insurance Corporation in an amount equal to not less than 5% of the bid or in lieu thereof, a bidder may offer a bid bond executed by a corporate surety licensed under the laws of North Carolina to execute such bonds, conditioned that the surety will upon demand forthwith make payment to the obligee upon said bond if the bidder fails to execute the contract in accordance with the bid bond, and upon failure to forthwith make payment, the surety shall pay to the obligee an amount equal to double the amount of said bid bond. The deposit shall be retained if the successful bidder fails to execute the contract within ten days after the award or fails to give satisfactory surety as required herein.

A construction bond of one hundred (100%) per cent of the amount of the bid shall be required for the faithful performance of the contract, the payment for materials and labor, and to indemnify the City against loss; premiums to be paid by the contractors. The surety must be a substantial surety company satisfactory to the City and authorized by law to do business in the State of North Carolina.

The work shall be commenced within ten days after the execution of the contract, and shall be executed with all due speed until completed. Payments will be made on the basis of ninety per cent (90%) of monthly estimates and final payment made upon completion and acceptance of the work.

No bid may be withdrawn after the scheduled closing time for the receipt of bids for a period of thirty days.

The Board of Aldermen reserves the right to reject any or all bids; to waive informalities and to determine the low bidder in case of tie bids.

HIGHWAY SAFETY

SHOCK ABSORBERS
Your car's shock absorbers provide more than just comfort—your safety can ride on them as well. Yet many motorists don't know very much about what shock absorbers do, when new ones are needed and what types are available.

Your shocks keep your car riding smoothly over bumpy roads. They cushion the bouncy effect of the springs so you don't ride up and down on every small ridge in the road.

Aged shock absorbers, safety experts say, hinder your car from holding the road well, so it's a good idea to get new ones before the old wear out.

If your shocks should be replaced, you might check out the new sort of shock absorber designed by the safety-conscious engineers at JCPenney. Under normal driving conditions, it can give you the soft, comfortable ride your car's original equipment gave. When loads are added or rough roads are encountered, it automatically compensates for the changes, taking on the ride control attributes of a heavy duty unit.

One way to test your shocks is to lean on each of your four fenders until it bounces well, and then let go. It should not bounce more than once or twice if the shocks are still good.

The right shock absorbers can cushion you from many hard knocks on the highway.

THE USE OF SPECTROSCOPIC PHOTOGRAPHY FOR INVESTIGATING THE CHEMICAL COMPOSITION OF STARS WAS PIONEERED BY ENGLISH ASTRONOMER SIR WILLIAM HUGGINS IN THE 19TH CENTURY.

If you stand with your back to the wind in the northern hemisphere (outside the equatorial zone), there is low atmospheric pressure to your left and high to your right. The opposite is true in the southern hemisphere.

The word "Diploma" comes from the Greek word meaning "to fold." Diplomas used to be written on parchment, folded and sealed.

A PART-TIME JOB WITH FULL-TIME PRIDE.

As an Army Reservist you'll not only learn a skill, you'll also be helping your country and community. For details call your local unit. It's listed in the white pages of the phone book under "U.S. Government."
