Both Walter Funder-burk, Meet Director at WSSU, and Richard Willis at Wake Forest called the meets a success.

36 of the students who participated will advance to state competition at High Point ollege on May 20. 25 students who took part in the Special Olympics Swim meet held at the Central YMCA on March 31 will compete in the state swim meet in High Point on May 19.

Local Special Olympics Co-ordinator Tommy Gaivin said the success of the event was due to the hard work of a large number of people. "'Our Special Recreation staff, regular staff, the students and coaches at Wake and WSSU along with the Kiwanis, Bocock Stroud, Voglers Funeral Home and many others put a lot of time and effort into this meet and all of them are to be commended for their work and dedication."

Winners in the state meet will have a chance to advance to the national meet later in the summer.
