### I Care Seeks Fourth Site

I Care, Inc. has three sites for nutritional programs for the elderly. One of these is under the supervision of Mrs. Sherry Blair Smith at the Community Center. Mrs. Smith has been a supervisor for approximately three years. Some of her responsibilities are to make sure food meets state regulations, arranging guided tours, transportation, and etc.

"I feel that the nutritional program has been helped a great deal by the neighborhood direction of John Holdscaw. Also I have great anticipation and high hopes for still another site."

### Statesville Hosts Gospel Awards

The First Annual 1978 Gospel Music Award Program was the best in Gospel music to ever come to the Statesville area. "It was a one-hundred percent success," says Host Elder Michael Graham, a native of "The Chocolate City," Washington, D.C. Graham says, even now, himself and others feel as though it was a dream. Most of all, this will pave way for other programs that are still on the blackboard.

"I'm very happy to be able to show off our local black talent. Sometimes we want to go all the way to West Halifax, when the best is right next door," Graham says. This came true when our very own Revelations took first place award, followed by The Carolettes, then The Travelers for Jesus of Charlotte, all under contemporary gospel. Quartet winners in order were: The Gospel Trumpets, The Soul Seekers, and the Gospel Crusaders of Statesville. Graham says, "If this city is a place of progress, we've got to work with our own so we can grow together. Even though I'm young, I don't like generation gaps."

"Thanks to all my well wishers and local supporters," concluded Graham.

### Twins Squeak By W-S Tigers

In Winston-Salem Semi-Pro Baseball League action this weekend, the Statesville Twins edged out the Winston-Salem Tigers by a score of 6-4. The Tigers broke out on the top with one run in the top of the first inning. Bouncing back, the Twins scored four runs on 5 hits in the bottom of the first inning.

Defense and good pitching marked the next few innings as neither team was able to score. It wasn't until the fourth inning that the Winston-Salem Tigers picked up another run, making the score 4-2, Twins.

The Twins, keeping pace added another run in the fifth inning, stretching their lead to 5-2. In the sixth inning, the W/S Tigers made one last attempt to overcome the Twins lead. However, the Tigers came out on the short end, only picking up two runs.

The Twins added an insurance run in the bottom of the sixth inning, making the final score 6-4.

Leading hitters for the Twins were Haiwasi Odom with three hits and Randolph Stevenson with a triple. Marvin Speaks picked up his third win of the season with the loss going to K.Mix. Outstanding defense performances were turned in by Jimmy Plyler and Leonard Feimster.

### Sports Savvy

**SKIING**

When skiing over a series of rises and dips the head of the skier should be kept at the same level at all times. This involves bending at the hips and knees at the top of a rise and extending the body at the bottom of a dip.

A favorite apres-ski drink is that old "cold weather standby," a hot rum toddy. Into a heat-proof mug, pour Myers's Rum, sugar, cloves

Donations are needed to aid the victims of this fire.

### Fire Victims Need Donations

The home of Kathy Miller and her three sons was completely ruined by fire last Saturday morning at approximately 9:00 a.m. The disaster took place at 1811 Bristol Road. The exact cause of fire wasn't determined; however, it did start in the back bedroom. Miller is presently employed by Carolina Mills. She was able to get all three children, William 8, Torrey, 1, and Brenda Miller, 2, out of the house. The family is now residing with a sister, Brenda Miller of 1543 Bristol Road.

Since the fire has caused this pathetic damage, the family has been left clothless, and homeless. The Chronicle urgently appeals to all civic, fraternal, social, and church organizations for contributions or donations of any type. You may leave any article at McCullough's Furniture System, 316 Monroe Street, or call 873-5170 and a truck will pick it up.

For all contributions mail to: Kathy Miller, c/o Brenda Miller, 1811 Bristol Road, Statesville, N.C. 28677.

### Statesville Staff Discusses Chronicle

The Winston-Salem Chronicle has been in circulation in Statesville-Iredell County for several weeks now. The Statesville staff considered it important for the community to know the general goals and objectives of the paper.

"The staff has set out in an effort to provide a communication link among the black people in the Statesville-Iredell County area," states Tommy Feimster, corresponding editor of the Statesville section. "I feel that communication is the key to organization and organization is what the black community must achieve in order to deal with the changing times and situations."

He continues, "We are progressing into the 1980s and it is important for the black community in Statesville and Iredell County to progress also. For example, in the area of employment, there are sometimes positions opened and there are qualified blacks to fill those positions, yet many of those positions go unfilled. See page 13"
