INVITATION FOR PROPOSALS

The Housing Authority of the City of Winston-Salem, North Carolina is seeking written, sealed proposals from responsible vendors for a fully programmed, stand alone minicomputer system based upon the specific and general requirements outlined in the detailed specifications. Proposal forms and specifications may be picked up between 8:30 a.m. and 5:00 p.m. daily, Monday through Friday at the Authority Central Office, 901 Cleveland Avenue, Winston-Salem, North Carolina. Proposals will be received until 10:00 a.m. (EDST) on Monday, July 14, 1980, and then publicly opened and read aloud. A certified check or bank draft, (payable to the Housing Authority of the City of Winston-Salem) U.S. Government bonds, or a satisfactory bid bond executed by the bidder shall be submitted with each bid. An award will be made to the lowest, most responsible bid which, in the judgment of the Authority, best meets the current needs and long term goals of our agency. The criteria for making this judgement will be based on, but not limited to, price, hardware, availability, applications, programs and the service and experience of the vendor. Additionally, other requirements or restraints that may be imposed by the U.S. Department of Housing and Urban Development (HUD) will weigh heavily in this decision. The Housing Authority of the City of Winston-Salem reserves the right to reject any or all proposals and/or to waive any formalities in the solicitation process.

Try leaving on a flight of fancy.

It's one thing to sit around and dream of faraway places. But when you decide to go, you've got to come up with a ticket. Wishing won't make it so. Saving will get you there.

One of the easiest, safest ways to save is to buy U.S. Savings Bonds through the Payroll Savings Plan. A little is taken out of each paycheck automatically. And the Bonds will eventually grow into a first-class ticket to anywhere.

Nothing is too far. Tahiti, London, Paris, Rome. Even a trip around the world. Or just a long vacation on a Caribbean island. Anywhere.

So go ahead, take a flight of fancy. Then start buying Bonds so you can take a fancy flight.

Take stock in America.

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.
