

Planning a trip? Stop here before you leave

There are several ways Northwestern can make your trip more pleasurable and worry-free! Don't take chances carrying cash. Travelers cheques protect you against loss or theft and only cost you \$1 per \$100. Why leave valuables at home, when for a few pennies a day you can rent a safe deposit box. And if you aren't enjoying the convenience of MasterCard or VISA credit cards, apply for a card, now! They're accepted worldwide and are good for cash advances at participating banks. When planning that next trip, plan to stop by Northwestern, first!

There are seven Northwestern offices in Winston-Salem. For all offices call 723-7921.
