For Summer League Title

Showtime Upsets Terps

By Robert Eller
Sports Editor

Leon Williams lost the battle, but the sharp-shooting guard still won the war. Williams, the leading scorer in the Winston Summer Basketball League last year, lost the scoring title to last year's runner-up Sidney Wilkins this year in the last game of the season after leading the scoring parade all year.

But Williams got what he really wanted last Thursday night when he led his team

to a 91-75 drubbing of the favored Terps to claim the tournament title.

Ending the season with a 7-5 record good enough for only a third place tie, Showtime was a big underdog going into the championship contest against the Terps who had lost but two regular season games sporting two units of talented players.

Williams and his teammates never let the Terps get untracked in the title contest, however, as they jumped to a 25-12 lead less

than 10 minutes into the contest and never looked back.

The powerful Terps closed to 46-37 at the half and got as close as two points with more than 10 minutes remaining when Walter Faye, who led the losers with 23 points, hit two straight baskets to leave Showtime with only a 64-62 advantage.

Williams, however, would not let his chance at the title get away. The 6-2 guard responded with three straight baskets to put the lead back to eight and he and his teammates cashed in on 9 of 11 foul shots in the last three minutes to take a 91-75 win.

Williams led all scorers with 30 points. Wayne Sawyer and Reggie Glenn added 16 each for the winners.

Reggie Thomas had 18 for the Terps with James Edrington tossing in 16 and Mark Collins 10.

Williams was elated after the win. "A lot of people

didn't think we had a chance against the Terps because they have so much depth and such a fine group of players but our guys knew what we had to do and we did it," stated Williams.

As for his not winning the scoring title this year Williams said, "Sure I wanted to win the scoring title but that is not nearly as important as winning the tournament. The scoring title is an individual honor but the championship is a team accomplishment and basketball is a team game."

The custom of giving gold rings as favors at 16th century weddings led one gentleman to distribute rings valued at over £4,000 at the marriage of one of his servants! When Queen Victoria wed in 1840, she ordered that rings bearing the royal profile in gold and the legend Victoria Regina be given to guests.

Pirates Begin Pre-Season Drills

Hampton--The Pirate's Hampton Institute begin their pre-season drills Wednesday, August 19, with two sessions announced first year head coach Ed Wyche.

Morning practice begins at 9:30 a.m., the afternoon session will begin at 3:15 p.m.

Coach Ed Wyche is expecting over 90 candidates including 41 returning lettermen (13 starters), 15 transfers and 28 incoming freshmen.

This year's Pirate squad will be led by the CIAA's Offensive Player of the Year, Dennis Mahan. The 6-1, 187 pound halfback from Martinsville, Va., led

the CIAA in both rushing and scoring last year. Mahan became the first Hampton runner to break 1,000 yards as he had 1,109 for the 1980 season. The Pirate's Little All-America candidate scored 14 touchdowns and averaged 8 yards per carry.

Ed Wyche, Hampton Institute's assistant coach in 1980 was named the fifteenth head football coach in the school's history this past December replacing Walter Lovett, who retired to devote full-time to his athlete director's duties.

Wyche has a career record of 26-25-1 from one season at Howard University (8-2) and four seasons at Delaware State (18-23-1).

Taking a look at the Northern division fore-runners...The Virginia Union Panthers under the guidance of Head Coach Willard Bailey, won the division with a record of 5-1-1 last year and had five freshmen on the offensive starting unit and with seasoning should be tough. The defensive line openings will be filled by two outstanding juniors, Dwayne Drew and Curtis Grant while a battle shall take place for the cornerback slot vacated by Marvin Fallen.

Norfolk State, who was 5-4-1 overall last year, returns 19 of their 22 starters. The Spartans under Head Coach Dick Price are hoping to continue where they left off last year when they went undefeated in their final four games.

The key for the Spartans may be in keeping sophomore Raynard Revels healthy. He averaged 133.7 yards per game of the season with an injury and playing only briefly in game six. Revels' passing and the running of Orlando Goodhope, who gained 994 yards in 1980 despite not having a 100 yard game until the fifth game of the season, will keep opponents at bay on defense.

Norfolk, a longtime defensive oriented team, now
