

NE Ward

Precinct Meeting Held

Precinct representatives from the Northeast Ward met Saturday morning at 9:00 a.m. at Houston's Restaurant for a precinct breakfast meeting.

Mrs. Vivian Burke presided at the meeting and urged all present to put forth every effort to support our Democratic Party candidates in the November 3rd election. She stated that our concerns must reflect our interest for all citizens within the community. We were reminded of the many concerns that have been addressed within the ward to the extent that actions have been taken to solve some problems and many others are presently being addressed.

Mrs. Burke reminded the representatives of the three (3) Community Development Projects that have been made available to the Northeast area, also the emergency-repair program and the house inspection program. Other concerns that have been addressed

are Unpaved Streets, Railroad Crossing at Carver and Old Walkertown Road, Recreational Facilities, Airport Noise, Traffic Control, Crime Prevention, Unemployment, Excessive Litter and Leaves Removal. Many of these concerns are ongoing problems that we as citizens must not be slack in reporting to our city officials.

Mr. Larry Womble, Democratic Candidate for Alderman of Southeast Ward and his campaign manager, Mrs. Earline Parham visited the meeting. Mr. Womble expressed a desire for citizens at large to expand their base thinking and let the alderman and other officials know when they are doing a good job.

Mr. Charles McLean, Fairview precinct chairman, and Mr. Styers from Mineral Spring Church precinct voiced their concerns for the community utilization of minority contractors and the continued efforts to publicize their

business endeavors. Other precinct chairmen present were Travis McCoy, St. Stephen, Naomi Jones, Carver, Minnie Lucas, Lowrance, Alberta Watkins, Mineral Spring Baptist Church.
