By Beverly McCarthy
Staff Writer

Alderman Larry Little was a special guest at the 11:00 a.m. services of Ephesus Seventh Day Adventist Church last Saturday. Little was presented the Humanitarian Award by the church congregation. The Humanitarian Award is an honor given by the members of Ephesus Church to various citizens in the Winston-Salem community to commemorate outstanding work in the community.

Little was introduced by Mr. Al Martin, gospel an-

nouncer for Radio Station WAIR. Martin, not only gave documented information about Little, but he also gave personal comments on the recipient's behalf.

"I've known Larry for a long time, I remember when he used to play basketball for Reynolds High School and there were no black cheerleaders at Reynolds, Larry was very instrumental in making sure there were some black girls on the cheerleading squad," Martin commented.

Little was presented the award by Sister Lucy Boykin, communications
