

Socialettes To Honor Local Black Women

The Socialette Club from Mt. Airy is planning an awards ceremony to honor local black women for their outstanding efforts in the area of community involvement.

The group is now seeking nominations. All women, ages 18 and up, will be considered with the awards presented in five age groups.

Winners in each age group will be chosen on various criteria: charm, poise and proceeds from ticket sales. Proceeds raised from the ticket sales will be

donated to the NAACP and the Socialette's Scholastic Scholarship Fund.

For more information, contact the Socialette Club, 202 Eleanor Ave., or call Verna C. Smith at 786-2576.

The Socialette Club recently held a banquet honoring black athletics in the Mt. Airy area.

James Brim and Kevin Strickland were recognized by the group.

Brim has won numerous awards and received recognition such as *Parade Magazine* All-American

First Team, ACC Rookie of the Year and the Scholastic Coaches 1982 Adidas All-American High School Football Team.

Strickland, a rising senior at North Surry High School, has also been the

recipient of many awards and recognition for playing basketball.

Brim is the son of Alma and Bryant Brim and will attend Wake Forest University.

Clifton Graves, affir-

mative action officer at Winston-Salem State University who served as the speaker for the ceremony, emphasized the importance of having goals, directions and perseverance.

The survey is being funded by a grant from the C.S. Mott Foundation to strengthen fundraising and image-building capabilities. Results of the survey will be used to evaluate and improve Winston-Salem State's public relations program.
