Littlejohn Emerges Victorious In Pro-Am Championship Flight

By ROBERT ELLER Sports Editor

Defending champ Donald Littlejohn fired a first-round 67, two strokes better than Danny Graham's 69, and held on to take the championship flight of the E. Jerry Jones Pro-Am by five strokes this past weekend at Winston Lake Golf Course.

Littlejohn had slightly more trouble with the course on Sunday following a short rain delay and could manage only a 74. But Graham's game went sour, and the twotime NAIA All-American shot 79 in the final round and tied for fourth place with David Shelton, who shot 75 Sunday after a 73 showing on Saturday.

That allowed Floyd Greene, who carded a 72 on Saturday, to move into second place by matching Littlejohn's 74 Sunday for a 146 total. David Harrison took third place with a 71-76-147 total.

The first flight ended with four players tied with 149 totals after 36 holes. As rain halted play for the pros and 92-83-175 score. C. Y. Young was second with a 176 championship flight players, who began their rounds at 2 p.m. Sunday, the tournament committee ruled that ties would be broken by the players' scores on designated

Holes three and nine were chosen and, Ted Kulp, who started the day one shot back after shooting 77 on Saturday, wound up the winner because of his birdie on the third hole. Kulp shot 72 Sunday. Sam Puryear, whose

first-round 76 tied him with five others, shot 73 Sunday and claimed the second spot.

Third went to Ronnie Smith, who turned in the best score of that flight Sunday with a 70. He began the day three shots back after carding a 79 in the opening round. Gary Littrell was fourth, with rounds of 76 and 73

respectively. Floyd Moore shot a 71 over the final round to come from four shots back to claim a one-stroke win over Charles Heilig in the second flight. Heilig also started the day four shots back of four players who shot 80 on the

first day. His 72 score on Sunday gave him a 156 total. Lorenzo Worthy shot 81-77-158 to claim third, while Richard Byrd wound up fourth with an 84-74-158 total.

Luther Davidson's 86-75-161 total gave him first place in the third flight over Dr. J.R. Oliver, who carded 86-77-163. Philip Blevins was third, also at 163, with Steve Sohn's 165 in fourth.

The fourth flight was won by David Groce with a total. Gary Muckelvene was third with Lonnie Gilliam fourth at 178.

The senior flight title was determined by both scores and the handicaps of the golfers. Dr. O.G. Hairston claimed the title in that flight. Hairston shot an 84 in the first round and followed with a final-round 93, giving him a 177 total. Hairston, an 18-handicapper, ended at

Indians Claim Western Division Championship

By ROBERT ELLER Sports Editor

The Winston-Salem Indians claimed the Western Division title of the North Carolina Semi-Pro Baseball League and moved into the state title series this weekend by clobbering the Young Zion Hawks and setting two state tourney records last Friday night.

Trailing 5-0 entering the fifth inning, the Indian bat-

ters, quiet through four frames, erupted for nine runs. Ron Fowler led off with a home run and Curt Gibson followed with the first of his two hits in the inning. Mike Smith followed with a hit, as did seven more Indians before the Hawks could register a putout.

In the inning, all nine Indians had at least one hit and totaled 12 hits in the frame. They added four runs in the sixth, one coming on the first of two homers by Otis Foster, who contributed a two-run shot in the eight-run

seventh. Darrell Campbell, who replaced Frank Gill in the top of the inning, hit a three-run homer.

The Indians added six more runs in the eighth in the 27-5 shelling of Young Zion, which entered the game unbeaten in three tourney games and boasted a 19-game winning streak.

Things looked bad for the Indians in the first inning when starter Mike Featherstone walked two batters with Please see page B4

The Black Golfer: Is He Going The Way Of The Dinosaur?

By ROBERT ELLER Sports Editor

Calvin Peete did it again last Sunday. A black man competing in what has traditionally been called a white man's game, Peete put on another one of his charges, coming from six shots back to beat Hal Sutton in the Kingsmill Classic.

Warning: The Surgeon General Has Determined

\$63.000 check he won moved him up to third on the 1983 money list, with a whopping \$262,658 in earnings this year. Only Sutton and Lanny Watkins have won more.

Over the past 13 months, the red-hot Peete has won six PGA tour events with his consistent "always in the fairway and on the green" game.

Peete did not start playing golf at an early age as most

It was Peete's second straight win in the event, and the of the players now on the tour did. And it looks as if played in the event. another black golfer is to rise to the top, he, too, may have to learn the game at a late age.

> This week during the NAGA stop at Winston Lake, only one black pro golfer playing was under 25 years old. In fact, probably the youngest black golfer in the event was NAIA all-American Danny Graham.

Meanwhile, a number of white father-son combos

According to the older black golfers, there are a number of reasons why youngsters don't take up the game of golf. Those reasons range from the huge interest by blacks in basketball, football and baseball to the availability of courses to the cost of golfing equipment to a lack of junior programs for black youngsters.
