VOTE YES NOVEMBER 8th FOR JOBS AND EDUCATION

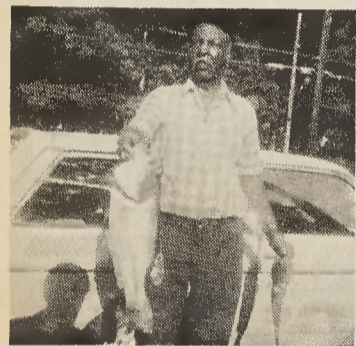

WHY VOTE FOR THE BOND REFERENDUM?

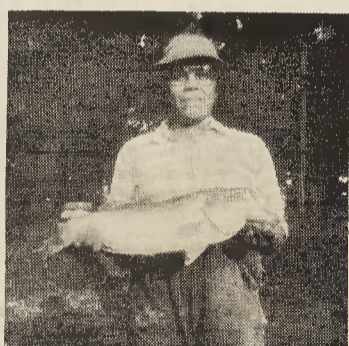

Because Winston-Salem and Forsyth County is one of the best places in the country to work, learn and live. And a "yes" vote on all of the bond items Nov. 8 will help keep it that way — with more jobs and even better educational opportunities for all of us, and our children in the years ahead.

For our future, vote yes on all eight issues Nov. 8.

Bass Is A Hearty Catch

By GEORGE BOOIE
Chronicle Columnist

If pollution and the extreme hot weather curtailed your fishing this season, take heart; there are better days ahead.

The Sprinkles, Mr. and Mrs., didn't let the heat stop them in their quest for lunker bass.

Vecue Sprinkle boated several bass, including a

10-pounder, on a recent fishing trip. The very next day, Mrs. Dorothy Sprinkle landed an eight-pounder before the couple had even pulled away from the dock.

Mrs. Sprinkle's favorite lure is a purple plastic worm which she crawls and bumps along the bottom with skill that matches the best bass fishermen.

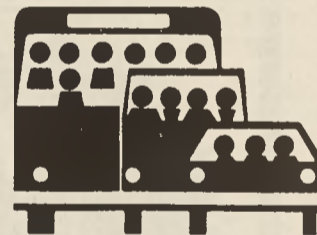

Of course, Vecue takes

credit for the teaching. He is an all-around sportsman: a fisherman, hunter, bowman and pilot.

It must be a lot of fun to have such competition right there in the family.

Mrs. Sprinkle enjoys fishing as much as her husband. With their kind of know-how, I would like to tag along with the Sprinkles on one of those fishing trips.
