"The Light Beyond The Tunnel"

Broken heart
wounded me
tear-stained face
can hardly see
the light beyond the tunnel.
One day soon, I dried my eyes
pasted on a smile
kissed troubles bye.
Surely I can love again
with mended heart I'm sure to win.
Now, I can almost see the light
that lies beyond the tunnel.

Jayne Penne'

Silly silly me
I'm torn betwix and between
don't know whether to go backward or forward
But one thing I do know:
God loves me wherever I go.
My past sometimes eats at me like cancer,
but I'm sure Jesus is the answer.
It's for me to decide:
Will it be God or my pride?
There's one thing I do know,
or ever hope to be,
It's God who will deliver me.

"The Young Men Speak In tongues"

the young men sit and speak in tongues
around a table in a jail;
they stretch their fenced-in lives to songs.

they have no outside room, so they
make room inside them. down that space
they reach beyond the cramp of day
and dig their night a secret face.

they do not wait to walk through walls
to build fresh lives and live them new.
they will not shrink inside their cells
and rot, as some expect them to,

for they are human first, their will
goes deeper than this banishment.
they face it, but their sweat is real.
now some are called, and some are sent

yes, some are called, and some are sent
and some can sing no matter where
the word comes through. and we who went
to teach them, find them teaching here.

WEEK OF: MAY 31, 1984

AQUARIUS - January 21-February 19
Your elegance and sparkle make you the center of attention through the weekend. Starting Monday, however, confusion on the part of others slows down your own progress.

PISCES - February 20-March 20
Decorating is accented. Your ideas are innovative and your sense of style impressive. In spheres of romance and friendship, opt for a more realistic approach.

ARIES - March 21-April 20
Money-making opportunity opens up but don't act on impulse. Travel or romance is featured though probably not in tandem. Leadership qualities lead to success on Tuesday-Wednesday.

TAURUS - April 21-May 22
You excel in practical matters, but academic pursuits require a more concentrated effort. Relatives are demanding on your time. Platonic friendship is spotlighted on weekend.

GEMINI - May 23-June 21
Travel ideas are bright, but be certain they're practical - and be sure you and companion have similar objectives. Romantic discussion can lead to a decision by Wednesday.

CANCER - June 22-July 22
Not the week to stand on ceremony. Make your move - even if it's your partner's turn. You excel in the role of coordinator; the functions you host are sure winners.

LEO - July 23-August 22
Money-making opportunity appears on horizon. There may be real promise here, but collect all the facts. Relationship benefits from a mix of humor and sentimentality.

VIRGO - August 23-September 22
It's important to take your criticism, your praise, and your ideas to the appropriate people. Personal relationship benefits from frank discussion. Science and research favored on weekend.

LIBRA - September 23-October 22
Hints of improved lifestyle change begin to appear this week. Friend is eager to confide in you; be prepared for a surprise. Children can teach you a lesson in relationships.

SCORPIO - October 23-November 21
You're surprisingly, refreshingly outspoken this week. Social engagements are more upbeat than anticipated. Work relationships show steady signs of improvement.

SAGITTARIUS - November 22-December 22
Romantic dilemma is not completely solved, so don't take everything for granted. Instincts are strong regarding professional matters. Communication problem officially ends after weekend.

CAPRICORN - December 23-January 20
Pleasant social opportunity is knocking - pay close attention. Family members provide moral support when you need it most. Be ready to reciprocate - likely on Tuesday-Wednesday.

BIRTHDAY THIS WEEK
Ahead of your time and forever a student of life, you're unpredictable, imaginative, and very witty. Acting on emotions is fine, but add more than a dash of commonsense and learn from experience. Conflict between family matter and career can be resolved early in the fall.
