

# Father's Day is June 17

From Page D3

*Willie Gray:* "The households with what I father) more quality role of the father has think the fathers time with his children not changed, but the should be doing in and it gives them an children have changed assisting to rear their overall feeling of fami- in that they have been kids. ... It gives (a ly life." given better oppor- tunities than their parents had."

*Edmund Fairley:* "Being a father is one of the greater challenges that I am growing with. I take the responsibilities very seriously and strive to educate and establish meaningful guidelines with my children."

*Larry Upshaw:* "More (fathers) are contributing to

The most aspirin you can buy for your arthritis pain. Most effective buffers for your stomach.
