Lewis, Lowery pace Mt. Tabor to 9-6 win over Glenn

By SAM DAVIS

Mt. Tabor scored nine first-half points, then relied on its defense to preserve a 9-6 win over Glenn last Friday night at East Forsyth.

The victory was first-year Coach Ed McDonald's first on the high school level and moved his young team a big step forward, said the former Parkland assistant.

"It feels great to win this early in the season," said McDonald, who served for seven years as an assistant to Parkland Coach Homer Thompson and has one of the youngest high school teams in Forsyth County. "I think the team is really pulling together and making progress."

"Over the years, Mt. Tabor hasn't produced a great number of outstanding teams, so we feel good about the direction we're headed in," McDonald said. "We want to get better each game. If we can get more experience, it's going to help us a lot."

Leading the way for Mt. Tabor were two players who wouldn't be old enough to play high school football if the Winston-Salem Forsyth/County schools hadn't reorganized this year into four-year high schools.

Sophomore quarterback Tyrone Lewis engineered the first Mt. Tabor score (a 31-yard field

goal) with some fine running and passing and later connected with Phil Kelly for a 31-yard touchdown.

However, it was the running of tiny tailback Kedrick Lowery that sealed the Spartans' win. The a 5-7, 145-pound sophomore broke runs of 34, seven, eight and 18 yards to keep Mt. Tabor's drive alive in the final 6:44 of the game. Although the Spartans didn't score on that march, Glenn

couldn't get the ball back to mount an attack of its own.

"Going into the game, we planned on mixing up our passing and running games," said Lewis, who was effective in both areas. "Glenn's defensive backs were playing back pretty far, so we felt like we could throw the quick pop over the middle and on the sidelines at any time."

Even more impressive was the fact that Lewis pulled double-duty, playing safety on the Spartan defense.

"I like to stay in the games and play offense and defense."
