

Winning at the Fair

Larry Sutton did. He fooled the Guesser at the Dixie Classic Fair and won a framed picture of Michael Jackson for his four-year old (photo by James Parker).

DON'T LET THEM TURN BACK THE CLOCK ON CIVIL RIGHTS:

- **THIS WEEK** Jesse Helms voted to table the Civil Rights Act of 1984. (October 3, 1984)
- On September 29, 1984, he was one of **ONLY FOUR** Senators to oppose consideration of that bill.
- Jesse Helms even used Senate Agriculture Committee hearings to try to turn Senators against this bill, even though two out of three had endorsed it. (June 12, 1984)

Jim Hunt would vote **FOR** the Civil Rights Act.
Vote For Jim Hunt.

FACTS OF LAW

By Gregory Davis

An insurance company providing an employer with group health insurance may not cancel an individual employee's benefits without notice to that employee, says a recent ruling.

"The sum of behavior is to retain a man's own dignity, without intruding upon the liberty of others."

—Francis Bacon

A person who is detained by law enforcement officials, who believes the detention illegal, can apply to the courts for a WRIT OF HABEAS CORPUS to determine legality of the custody.

In order to meet the standards of fairness established by the Federal Rehabilitation Act of 1973, an employer may not discriminate against the handicapped. Therefore, a deaf person must be given a written test where only oral tests are provided to applicants for a position.

According to an old law in Michigan, if a wife abandons her husband, he can take possession of all of her clothing.
