in the first quarter to give his team a 6-0 lead. Following a 21 yard touchdown pass from Chris Mack to Rodney Robinson to even the score at six, Coleman scampered 43 yards on a broken play, cutting back against the grain to put the Tiny Indians on top 12-6.

However, the Vikings fought back and evened the score when Anthony Wilson took a reverse and ran 45 yards for a touchdown to even the score at 12-12. The game ended with the score deadlocked and the game's outcome was decided in overtime.

Both teams were given four downs to score a touchdown in the overtime with the ball being placed on the opposing team's 10-yard line. Robert Bohanon scored on a nine yard run on second down to bring the final score to 18-12.

In the Midget game, Reginald "Bojack" Wright scored two touchdowns to lead the Tiny Indians in 14-0 win. Although the Vikings put up a tough defensive struggle, the Indians were able to capitalize on several key plays.

After a scoreless first quarter, Wright got his first score on a 94-yard jaunt down the sideline. Torez Hughes scored a two-point conversion on a pass from Carlos Neely to put the Tiny Indians up 8-0. The Indians then shut out the Vikings before Wright scored his second touchdown on a 6-yard run to make the final score 14-0.

In the fourth and final game of the day, Jomo Leggins and Napoleon Jackson led a strong running attack that carried the Mighty Mites to a come-from-

behind 14-6 win. Vikings quarterback David Brown got his team's only score of the day on a 19-yard touchdown to give his team a 6-0 halftime advantage.

The Indians got their offense going in the second half, after recovering a Viking fumble on

the second-half kickoff. Jackson broke loose on a 40-yard run to start the drive and Leggins tallied the score on a 4-yard run to even the score at 6-6. The Indians final score came on Leggins' 10-yard burst up the middle with less than a minute left in the game.

others along." While Gaines has been able to seemingly work miracles with his Rams during the 39 seasons he's been head coach, this year will put him to the test.

In their season-opening loss to Knoxville College, Gaines said his team didn't show much of anything.

"We made enough turnovers in that game to lose three or four games," said Gaines. "Our biggest concern is turnovers."

Though Gaines said his team will have to improve over the course of the season, he thinks they'll be all right come tournament time.

"We'll be patient," said Gaines. "We'll look at scouting reports and see what we think we

can do and take it from there." A wrinkle that Gaines said might help the Rams up-tempo attack is to go to a three-guard attack.

"We may have to go to three guards," Gaines said. "We have to get our offense into a pattern."

Against High Point, the Rams were able to pressure the Panthers into turnovers and bad shots. Yet, the Rams couldn't get much going offensively.

Sophomore Linwood Gorham, playing at least 20 pounds over his normal playing weight, carried the Rams offensively. Gorham had 18 points for the game, despite sitting out much of the crucial minutes of the game and over half of overtime. His 18

point effort included 8 of 11 from the field, mostly from the top of the key.

Eugene Pennick was the only other Ram in double figures. Pennick's 12 points came mostly on medium range shots and tip-ins.

Despite being out-rebounded 18-14 in the first half, the Rams responded with a 14-11 advantage on the boards in the second half.

In view of their lackluster performance, the Rams will have to improve quickly as they face Hampton on the road and follow that with a game against arch-rival North Carolina A&T Saturday in Greensboro.

Otis Johnson of 3063 Heitman Drive made one of the biggest catches of his career while fishing off the coast of Morehead City on November 18. Johnson caught a King Mackerel that weighed 43 pounds.

Johnson, sailing in his 20 foot Sea Ox boat, landed the catch near Shackleford Banks.

"It wasn't the largest fish that I ever caught, but it was the biggest edible fish I've caught," said Johnson, who began deep sea fishing in 1979.

Johnson said it was a big thrill to make such a big catch and he'll be out to better it in the future. "However," said Johnson, "I won't be doing any more fishing until next year."
