Florida prep standout

Timpson eclipses record

Michael Timpson of Miami Lakes High School in Hialeah, Fla., set a national high school record in the 110-meter high hurdles at the Golden West track and field meet last weekend.

Timpson ran a 13.40, eclipsing the 13.41 run by Kerho of Mission Viejo, Calif., in 1982.

Outstanding performances are nothing new for Timpson.

Two weeks ago, he turned in the nation's best prep long jump of the year at the Golden South meet in Orlando, Fla.

Timpson jumped 25 feet, 10 inches. That was five inches better than the year's previous best jump, turned in by Eric Metcalf of Arlington, Va. Metcalf also competed in the Orlando meet and took second.

Timpson won four events -- the long jump, 110-yard hurdles, 330 hurdles and 220 dash -- in the Florida 4-A track meet. He is bound for Penn State on a football scholarship.

At a prep meet in Los Angeles two weeks ago, George Porter shattered the 300-meter hurdles record. He ran a 35.32, to break the previous standard of 35.54 set last year by Arthur Blake of Haines City, Fla.

Los Angeles' Hawthorne High set a national high school record in the girls' 4x100-meter relay. Anchored by Tami Stiles, Hawthorne ran a 45.11 to eclipse the 35.13 set by Berkeley (Calif.) High in 1981.

Conference (SCLC). The tournament is held in memory of the late Dr. Martin Luther King Jr., who founded the SCLC.

On Top Of The World

Los Angeles Crenshaw High recently captured the International Basketball Tournament in Aarhus, Denmark.

Coach Willie West's team pasted Turkey 138-88 in the championship game.

West's teams have won three consecutive Los Angeles city championships. They finished the 1984-85 season with a 30-0 record and *USA Today* ranked them third behind behind Baltimore Dunbar and Washington, D.C., Springarn.

Junior Stephen Thompson, who averaged 27.2 points per game in the regular season, poured in 34 points against Turkey. Thompson was the Los Angeles prep Player of the Year. David Carter added 32.

Crenshaw, which won all five of its games in the tournament, had an average winning margin of 77.4 points. The largest margin of victory came in a 199-81 drubbing of Ireland.

This prolific scoring is something Crenshaw is used to. West's team set a California prep record by scoring 100 or more points in 11 games.
