events which are taking place today can be placed in their correct context and responded to properly.

It is no more acceptable to engage in certain behavior today than it was a hundred years ago. One should not have to be overly explicit here to identify the behavior we're speaking of. There is more than one way to lynch a black man in America.

Washburn and Moorman are facing the same challenges as thousands of blacks have faced in this country over the centuries; that which is being perpetrated upon them is little different from that faced by black men during the slavery period, the Reconstruction era, the Jim Crow era, the Civil Rights period, and now, the time in American history when many blacks are under the illusion that they "have arrived."

Attending integrated schools, getting some of the previously unheard-of job positions, sleeping in the

Waldorf Astoria, appearing in the TV soap operas and getting the million-dollar professional sports contracts did not change many oppressive forces in this country.

We must -- absolutely must -- be aware of our history, understand it and be smart enough to deal with this society called America.

The Last Degree

At the annual National Supreme Council Convention of the Ancient and Accepted Scotch Rite of Free Masonry held in the Grand Bahamas, Freeport, Bahamas Brother James L. Farrow, left, and Brother Fate Martin Sr. were elevated to the 33rd and last degree of the organization. In Atlantic City, N.J., in May, Noble James L. Farrow was appointed grand potentate of the state of North Carolina. Noble Fate Martin was appointed master of ceremonies for District No. 3 (photo by James Parker).

ANY BANK, BROKER OR S&L THAT JUST OFFERS YOU RATES IS OVERRATED.

These days, new laws allow all kinds of financial companies to do all kinds of new things to get your business. Yet most of them seem to think that business-as-usual is enough to do the trick.

But, at NCNB, we know that you've changed. You demand more for your money. You shop for the best services. You know what you're looking for.

So, we developed Deluxe Banking®. First, you earn interest; then you save on checking service charges, a safe deposit box, credit card fees and 7 other services. In all, \$2,500 with us beats the return on money market accounts at banks, brokers or S&Ls. As a matter of fact, to get the same return on your \$2,500, you'd have to earn a rate of over 11%.

GETTING THE MOST FOR YOUR \$2500

FINANCIAL SERVICES	NCNB DELUXE BANKING (@5.75%)	MONEY MARKET ACCOUNT (@5.97%)
Annual Interest on \$2500*	\$141.00	\$154.00
Checking Service Charges	No charge	-108.00
Check Printing	No charge	-16.00
Traveler's Check Fees**	No charge	-5.00
Safe Deposit Box (regular)	No charge	-20.00
Return On Your Money	\$141.00	\$5.00

*Interest Compounded Daily. **\$500 Purchased Per Year.

So why fool around with accounts that offer only rates when you can get rates-and-then-some? Come see us. A lot of things have changed, but one thing hasn't: We still work to be the best bank in the neighborhood.
