## Double dutch fever headed for Twin City

More than 25 teams have begun practice for the Third Annual Double Dutch Tournament, which will be held in Winston-Salem at 1 p.m. on Saturday, April 19, at the Hanes Hosiery Recreation Center.

The teams will be jumping rope at recreation centers, playgrounds and girls' clubs to get ready for the big tournament.

The Forsyth County Double Dutch Tournament is a member of the American Double Dutch League and is sponsored by the Tarheel Triad Girl Scout Council of Colfax.

The event will be co-sponsored by the Winston-Salem Parks and Recreation Center, McDonald's of Forsyth County, Hardee's of Akron Drive and Pizza Hut.

Double dutch evolved from an

ancient rope-jumping game using two ropes twirled in eggbeater fashion by two turners, while a third, and sometimes a fourth, jumped between the ropes.

The best Forsyth County double dutch team selected will be awarded the grand prize of a trip to Hartford, Conn., made possible by the Tarheel Triad Girl Scout Council.

While in Connecticut the team will get to see the World Invitational Double Dutch Tournament on June 21.

A councilwide tournament, pairing the top teams from Winston-Salem, High Point and Greensboro, will be held from 1 to 4 p.m. on Saturday, May 17, at the Hanes Hosiery Recreation Center.

## Kiwanis to join local fingerprinting efforts

Members of the Greater Winston Kiwanis Club will participate in the national KIDS Safety Week this weekend by volunteering to help fingerprint children at the East Winston Shopping Center.

KIDS is an acronym for Kids Identification Sign-Up and is sponsored nationally by the International Council of Shopping Centers.

Free fingerprinting services will be provided for children 3 to 14 years of age and copies of the fingerprints will be given to parents and guardians. They may be used as positive identification when a child is missing. Parents will also receive a book on child

safety which lists ways to help make children less susceptible to kidnapping.

Kiwanis members will be fingerprinting children at the East Winston Shopping Center Friday, April 11, from 4 to 8 p.m. and Saturday, April 12, from 10 a.m. to 6 p.m.

Thruway Shopping Center, Hanes Mall, Reynolds Manor, Pine Brook Plaza, Parkway Plaza and Parkview Shopping Center will also be participating in the program.

The council estimates that millions of children will be fingerprinted across the country and in Canada this weekend.

classified as gifted and talented; students who are expected to achieve by teachers as opposed to those who are expected to fail.

Clearly, diagnosing the problem is as easy as typing an editorial. Solving it will take a community effort that begins at home -- in the black community -- and ultimately involves the school board and the school system's administrative staff and teachers.

We commend the NAACP for its active role in raising the questions and working earnestly to find the answers.
