

Leak organizes new church

The Rev. Charles W. Leak recently realized his long time dream of organizing a solid, congregation-oriented church when Solid Rock Baptist Church was organized Sunday, June 7.

The church will assist students by awarding scholarships to deserving students. The church will also re-invest its money in its

membership to save homes, help provide transportation and to improve the quality of life for its members.

Leak plans for the primary goal of his church "to be to reach out to the poor, to be a friend to the friendless, to be hope for those who have no hope and to follow Christ's teaching, which is

to have no respect of persons but to receive with open arms all who will come."

Services are currently being conducted at Mount Mariah Lodge, 1411 N. Patterson Ave. Sunday school begins at 9:30 a.m. and morning worship will begin at 11 a.m.

Exploring: An investment in the future

Exploring is the young adult division of the Boy Scouts of America, for young men and women 14 through 20.

Explorer Posts are organized by businesses, churches, professional societies and other community organizations. An Explorer Post is set up to match the interests of young adults with adult expertise and knowledge. For example, a radio or television station might design an Explorer Post and invite young adults who are interested in electronic media to come twice a month to learn and experiment with the equipment.

What makes the Explorer program so unique is that it is designed around the interest of youth. Explorer Posts can specialize in many subjects and activities. For example, in seaboard regions, there are Sea Explorer Posts. They range from a group of youth sailing, under adult supervision, twice a month, to deep-sea scuba diving all summer with certified divers.

The most attractive feature of

Exploring is its flexibility, which allows community organizations to serve their youth at any capacity. It can influence the youth of tomorrow.

Many churches use Exploring to meet the needs of this older

Post and many other career posts in Forsyth County.

If you or someone you know are interested in the Explorer adventure, contact the Old Hickory Council for more information.

group of youth. Exploring can be a program used to attract youth into the church. The youth decide on what the post will be and what activities they will do; this instills leadership values, civic participation and citizenship in the youth.

Career Explorer Posts are for career-minded youth; posts vary from an Airline Post to a Television Post in Winston-Salem. Also, there are a Health Post, an Accounting Post, a Public Safety

mation on this investment in the future.

Christ.

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think of these things." (Philippians 4:6-8)

We need to forget all the things the thief has done to us, stole from us, or caused us to lose.

I thank you for forgiving me of all my sins. Jesus is my Lord, and I am a new creation. Old things are passed away.

Now all things become new in Jesus's Name.
Amen
