**Carter, Jones help Carver sting East 30-6**

By **RANDY PETTITT**

They don't grow them big over at Carver these days -- but tough perhaps -- as the third-ranked Yellowjacket jayvees crushed East Forsyth 30-6 last Thursday night at Carver Stadium.

The Jackets, led by pair of touchdowns from Mark Jones and solid running from Steve Carter, found themselves behind almost as soon as the game started.

East's Terry Andrews took the game's opening kickoff and raced downfield for a 74-yard touchdown and a 6-0 East lead with only six seconds ticked off the clock.

But the touchdown return only fired up the feisty Yellowjackets, as Carver returned the favor with a 52-yard touchdown drive that culminated when Steve Carter scored from the three-yard line. The PAT

run failed, and the game remained tied at 6-6.

After Carver's defense held East to five plays, Mark Jones took a first down handoff at the 48-yard line and ran off tackle 52 yards for his first touchdown of the night and a 12-6 halftime lead for the Jackets.

Derrick Hauser helped apply more pressure, as he took advantage of an East turnover and scored on an impressive 48-yard run.

Another East turnover -- their third fumble of the game -- gave Carver yet another crack at the end zone. Set up by a 26-yard run from Jones, George Cherry put the Jackets ahead 24-6 with a six-yard touchdown.

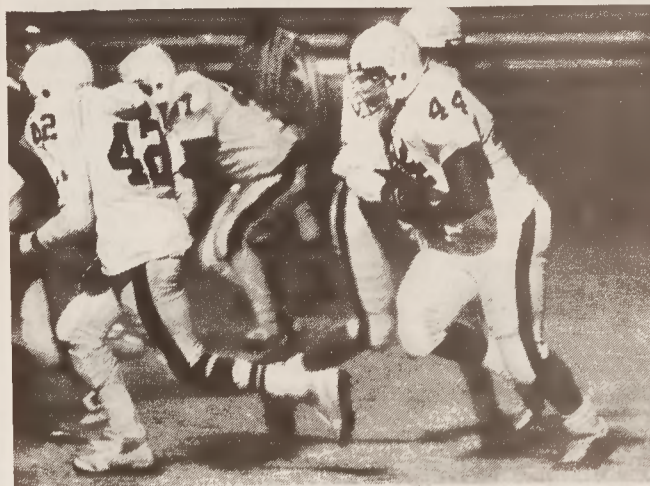

Steve Carter set up Carver's final score late in the fourth quarter, as he eluded three Eagles and ran down the left sideline for a 43-yard pickup. Jones bagged his second score on the next play from the four-yard line for the 30-6 final margin.

Carver Coach Mike Styers said he wasn't surprised that his team won -- but was shocked at the score.

"I thought that it would be one of those 12-6 deals," he said. "Really, I was amazed at our offense. All of our backs ran super and our line was blocking pretty nicely."

East Coach John Pegram said his team simply didn't show up.

"This was by far our worst game," Pegram admitted. "After

we beat Page, our kids just haven't played well at all.

"You have to give credit to Carver, though. They're at their peak right now and they have a good football team. I was amazed at their quickness.

"They really made us look bad." Styers said he thinks his defense is one of the best around.

"I believe we can stack up with anyone on defense," he said.

"Looking at the film, you can see that our defense just took East completely out of the game. Then our backs were rotating and tired them out.

"I'm really proud of our kids.

They are finally figuring out the team concept in football and that's why it's coming together for us. We're playing as a team and a lot of kids are making a contribution."

The Yellowjackets host Greensboro Page this Thursday night at Carver Stadium and are optimistic about their chances.

"We have to move the football," Styers said.

"That will make or break us. I think we can play good defense and keep it close, but we have to put some points on the board.

"If we play like we did against East -- then I couldn't complain about a thing."

Chronicle Sports Editor

**CLEMMONS** -- West Forsyth continued its reign as the city's best defensive jayvee football team and shutout Davie County 22-0 last Thursday at West Stadium.

The Titans, ranked second in the city according to the Chronicle, fumbled their first possession of the game when Haywood Cloud was hit near the 15-yard line by Davie's Lee Linville.

But the Titan defense held the War Eagles to just six plays and took over again at the 34-yard line following a punt.

Davie showed some defensive muscle as well, holding the Titans on a key pass on fourth and 11 at the 31-yard line.

Three plays later, the Titans recovered a War Eagle fumble and finally got on the scoreboard.

A pair of power sweeps from Cloud put West on the Davie 13-yard line. Sam Morgan then sprung Cloud on a trap block and the big tailback rambled down to the one before finally being shoved out of bounds by Davie's Kevin Gilbert.

Cloud dove over the goal line at the one-yard line and Marion Hawkins added the two-point conversion on a reverse for an 8-0 lead.

West threatened again late in the second quarter, but Brett Noe fumbled after catching a pass at the 41-yard line.

Cloud opened the third quarter with a bang, as he took a sweep to the left and rambled down to the 13-yard line. A play later, Sam Morgan took it in from the 10-yard

line. A holding call and an incomplete pass stopped the Titan's extra point try.

The Titans, who were merely trying to run out the clock in the fourth quarter, got their last touchdown when Cloud was sprung free on a Shane Moss block. Cloud took advantage of the hole and made two open-field cuts for a 36-yard score.

Wayne Patterson added the two-point conversion for the 22-0 final.

Coach Tom Henson said it was another fine effort from his offensive line that keyed the win.

"Our offensive line has played super the last couple of games," he said.

"They've played well all year, but the last two games have been really something.

"And what can you say about Haywood Cloud. He's a good kid and fine runner. That last touchdown run was like something you see in college ball."

The Titans' defense had its second straight shutout. They have allowed their opponents 28 points in nine games -- an average of only three points a game.

A final game matchup with Mount Tabor has Henson and his Titans wanting a city championship.

"We'd like to finish 8-2," he said. "Mount Tabor beat us on a rainy night two years ago and we're not taking them lightly."

West travels to Paisley Middle School for a Thursday afternoon game at 3:30 p.m.
