

Glenn blankets Reidsville, 26-0

by RANDY PETTITT
Special to the Chronicle

Quarterback LaCarl Walker scored one touchdown and threw for two more to lead Glenn's junior varsity football team to a 6-0 shutout of Reidsville last Thursday in Bobcat Stadium.

Walker, a sophomore transfer who played sparingly for North Forsyth's junior varsity team last season, hit receiver Ray Farmer on a 25-yard pass play to get the obcats on the board first.

The Bobcats stretched their lead when pint-sized Walker tucked in the end zone for a 12-0 lead.

Following Walker's second touchdown pass of the night, sophomore tailback Pablo Smith broke loose for a 65-yard scoring run to provide the final points.

Glenn coaches Larry Anderson and Bernard Falk were surprised by their team's showing. They felt the big difference was in play of the defensive line and how well they controlled the line of scrimmage.

Falk said typical first-game mistakes were made, but hard work overcame the miscues.

Slade's TDs pace North's JV triumph

by RANDY PETTITT
Special to the Chronicle

North Forsyth got two touchdowns from sophomore tailback Jimmy Slade and defeated South Stokes 14-0 to open junior varsity football schedules for both schools last Thursday night.

Slade got the Vikings on the board midway through the first quarter when he scored from seven yards out. North failed on six extra points when a pass was complete.

The Vikings sophomore then scored on a 23-yard run in the second quarter by eluding two tacklers for a 12-0 North lead. Vikings' quarterback Shelton Moore connected with receiver Leo Hymen for the 14-0 final.

North's head coach, Kent Edwards, said he was pleased with the outcome, but things could've been better.

"We were penalized 13 times for 100 yards," said Edwards.

"We could have really piled up the score, but the mistakes we made really hurt us. We physical-beat their butts on the line of scrimmage and managed to hold them to just 25 yards of total offense."

Edwards said the play of sev-

"We messed some things up," said Falk, new to the Bobcats' staff this year. "But the kids played hard and managed to keep them out of the end zone all night. Our defense just plain shut them down and our offense put some points on the board for us."

The Bobcat coaches said that

Falk said the team is excited. "They've already won as many as they did the entire season last year," he noted.

"The kids have put in some time lifting weights and I think we're going to be a pretty solid team."

Reidsville was surprisingly

JV Football Roundup

freshmen Harold Jackson, Kevin Carter, David Hill and Jason Scott joined sophomores Leon Conner and Benny Lassiter in keying the defensive shutout -- Glenn's first in almost two years at the jayvee level.

"We knew our defense would be pretty good," Anderson explained.

"The question mark was our offensive line and how fast they would come along. Last Thursday they gave us enough time to throw the ball and that enabled us to open up some running room.

"Most of them did their jobs pretty good. I think all of the linemen we had got to play, so we got a good look at everybody."

eral sophomore defenders was one of the reasons South Stokes did not get a first down all night.

"Our linebackers and defensive backs did a good job for us," he said.

Since making the switch from Parkland where he was the jayvee head coach last year, Edwards said he has more talent to work with at North Forsyth.

"We had some good kids at Parkland," he said. "But there's more of them at North. This is the most talent I've had since I've been coaching jayvee football. This is not a real big team, but the kids are pretty quick and can do a lot of things for us."

The North Forsyth coach singled out the performances of sophomore runners Slade, James Jones and Chuckie Hatcher as keys to victory. He added: "Slade easily had over a 100 yards rushing the football."

"We're going to throw more," said Edwards. "We have a pretty good quarterback (Moore), but we haven't spent that much time throwing in practice yet."

Standout receiver Dwight Linville, a tenth-grader, is one of the reasons Edwards said he can't ignore the passing game for long.

weak in the season-opener for both teams. Early reports indicated that Reidsville fared well in a pre-season scrimmage with North Forsyth.

Glenn will try to put together back-to-back victories when they host Reynolds' jayvees tonight at 7 p.m.

Carver Blasts N. Surry 42-0

Carver's junior varsity team scored in every period to overwhelm North Surry 42-0 in the opening game for both teams.

Carver was led by the bruising running of George Cherry who rushed for 134 yards and a touchdown. Quentin Horne scored twice, the first coming on a 28

"The running game will be established first, but that doesn't mean we won't throw the football. Right now, our strength is running and that's what we'll go with."

The Vikings figure to get a

yard run and he capped the evening by racing 38 yards with an interception for his second score.

North Surry never had a chance to catch its collective breath as Carver kept pouring it on.

"We knew going in that we had a lot of speed," said Carver jayvee coach Mike Styers. "The key to the game was our quickness. We wanted to establish the option, throw some and be able to run up the middle. It was just a matter of us being able to get to the corners and use our speed."

The Hart twins, David and Daren also got in on the scoring spree. David galloped 33 yards for a tally and Darren sliced through the North Surry defense for his TD.

Quarterback Alan Pinyan displayed coolness under pressure all during the game and hooked up with Derrick Stokes for a 28-yard TD pass.

Defensively David Hart played a solid game at strong safety and inside linebacker Monte Travis made life miserable for the North Surry offense.

stiffer test tonight when they travel to play Mount Tabor High School at 7. Last season North finished 7-2-1, barely missing the Chronicle's title of city champions.
