Catherine's Country Ruffles

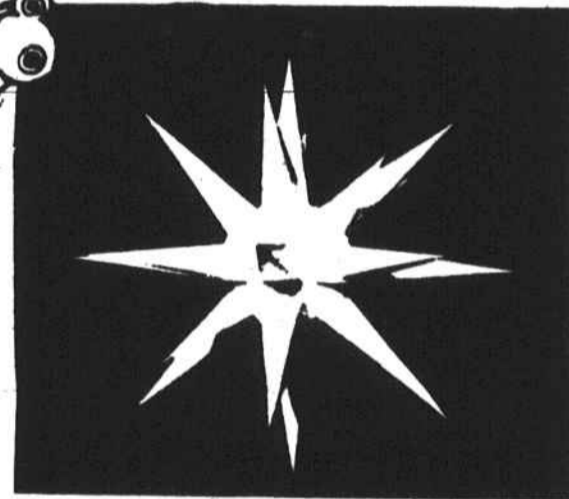

Calico, a country favorite. When only the richest and deepest hues of blue or rose will do, use calico prints. Cluny lace trim provides the perfect accent for this setting. Completely washable, of easycare polyester and cotton.

These lovely ensembles -- and more -- are available at Catherine's Country Ruffles, Parkway Plaza Shopping Center 723-4418

Our Caroline Ensemble decorates this bay window to give an old-fashioned appeal. With Caroline, our simple solids always make a soothing statement. Caroline's soft pastel tones are available in natural, white, peach, rose and blue, with matching accessories. Very reasonably priced.

Moravian Advent and Christmas Stars

For many years the Moravian Star has been a favorite decoration appropriate for the Advent and Christmas Seasons, the first having been made in the Moravian settlement at Niesky, Germany, about 1850. Today these stars shine in homes, schools and churches in many parts of the world.
