

Parkland wins in four OTs; Carver scores 66 vs. Glenn

By Chronicle Staff

With three weeks left to play, action is charcoal hot when it comes to the city/county junior varsity football scene. For starters, Parkland and West Forsyth battled to the end before the Mustangs claimed victory in the fourth overtime.

Elsewhere, Carver further established itself as the team to beat for the city/county title, upending Glenn in a game

another chance to score and we did."

Changing momentums was what this game was all about. Parkland controlled the first half, while West got the best of the situation in the second half.

The Mustangs grabbed a 20-0 lead at the half thanks to an opportunistic defense and Brown. Parkland's first score was set up when the defense recovered a West fumble at the Titans' 11-yard line.

Moments later, Brown

did, shows that they have a lot character."

Carver

The Yellowjackets unleashed a furious offensive assault which resulted in an overwhelming 66-36 win over Glenn.

Coach Mike Pennington's 7-0 crew started full blast from the opening quarter and never slowed down, taking a 36-20 lead at intermission.

Tackle Jimmy Hairston keyed the offensive line which enabled Carver to crank up 603 yards total offense. As usual, Johnny Senn enjoyed a highly productive game, leading the attack with five touchdowns and finishing with 276 yards on 13 carries.

Senn didn't carry the whole load, however. Pedro Barnes had 121 yards on seven carries and Mike Brown contributed two TDs to the cause. Reggie Wells also scored on a 25-yard TD run and Antoine Transou came through with a score for the defense, picking up a blocked punt and running it back 21 yards for the score.

"There's not a lot you can say," said Pennington. "We scored almost at will. The game was just like a tennis match. We would score, then Glenn's offense would do the same."

Carver's defense, while never in danger of giving up enough points for the Bobcats to win, did find that Glenn could move the ball on them. Prior to last Thursday's encounter, the Jackets' defense hadn't been scored on in 18

quarters.

East Forsyth

A.C. Coleman broke free to score a pair of touchdowns to propel the Eagles to a 26-15 triumph over North Forsyth.

Coleman's first TD came on a 19-yard burst off tackle on a trap play in the second quarter to put EF in the lead, 12-9. Prior to his run, the Vikings held a 9-6 advantage.

However, NF bounced back to regain the lead at the end of the half on a long hail Mary pass play. At intermission, North led, 15-12.

But that was the last time that the Vikes would have the edge. Shane Bonner gave the Eagles the lead for good when he took the opening second half kick-off and raced 84 yards for the TD. William Butler ran for the PAT and East was back on top, 20-15.

The score stayed that way until midway through the fourth quarter when Coleman sealed the win with a 60-yard touchdown sprint.

"Our offensive and defensive lines really dominated for us and the defense was super," said John Pegram, East Forsyth coach. "The offensive line was especially good since we had to play some new people because of injuries and folk being moved up to the varsity."

Ricky Godfrey and Andy Brickey stepped in to do the job up front for East. Defensively, Derrick Reynolds and Curt Wilks were the prime contributors.

The Eagles broke the ice with the game's first score. Jerry Hooper reached paydirt from a yard out to cap a 60-yard march.

Glenn

The Bobcats got the short end of it in their 66-36 loss to

Carver. However, they did have some exciting moments, thanks to running back Aaron Boyd.

Boyd, who scored six touchdowns to account for all of Glenn's scoring, would have had seven, but that TD was nullified because of a penalty. The Bobcats prime runner scorched Carver twice on long touchdown runs — one was a 70-yarder from scrimmage, the other was a 90-yard kick-off return. For the game, Boyd had 250 yards rushing.

"It was a pretty wild game," said Al Hooker, Bobcats coach.

Mt. Tabor

The Spartans had their chances but it just wasn't to be as they fell 12-0 to Greensboro Dudley.

Dudley scored all of its points in the first half, but wasn't able to generate any-

thing else for the remainder of the contest.

Tabor miscues were the prime factors in this defeat. Both of Dudley's scores were set up by MT interceptions. "Defensively, we played a tremendous game," said Fred Gragg, Mt. Tabor coach. "Offensively, we had three or four opportunities to score, but we just couldn't punch it in."

The Tabor defense was spearheaded by Art Gaither, Corey Jackson, Tim Hairston, Kevin Jones and Curtis Lipscomb.

North Forsyth

The Vikings are a bit down after seeing a nine-point halftime lead evaporate and become a 26-15 loss to East Forsyth.

North grabbed the lead on a 35-yard TD run by Cornell

where both teams combined to score 99 points. But the Jackets haven't won anything just yet. East Forsyth has yet to lose to a city/county team and is the only hurdle that Carver has to clear to capture the championship.

The two teams square off tonight in a game that should determine who wears the city/county crown in '91. The Eagles kept their city/county record unblemished by twice overcoming deficits to defeat North Forsyth.

Here's a recap of what transpired on a wide-open night of football at the jayvee level last Thursday night.

Lots of OT

The way this game was played, you'd think the fellas wanted to stay out all night and play. It took all of four overtimes for a winner to emerge. But at last, Parkland prevailed, 32-26 over West Forsyth to win its third straight contest.

Quarterback Concho Brown was the catalyst for the victors. He had a hand in all of the Mustangs scoring, throwing for two TDs and running for three, including one in the OT periods.

Top defenders for the Mustangs were tackle Androne Hatchett and linebacker Jamie Minton.

In overtime, each team gets four downs to score from its opponents' 10-yard line. If one team scores and the other doesn't, the game is over. If both teams score, the game continues until one team gets a lead and prevents the other team from scoring.

In this instance, neither team could score on its first two series of downs in the red zone. But on the third series, WF broke the ice when DeCarlos West scored on a four-yard run. Then Brown ties the game for Parkland by scoring on a fourth down roll-out from four yards out.

The Mustangs settled the issue when Brown hit Eric Parks with a six-yard touchdown toss.

"This was really a good game for spectators," said Larry Lewallen, Parkland assistant coach. "But we did get some help in the third overtime when West was called for pass interference. That call gave us

scored on a quarterback sneak, then hit Greg Lynnsey for the PAT and an 8-0 lead. Brown hit the TD jackpot again in the second quarter when he fired a 35-yard scoring strike to Michael Berrier. Brown added another TD later in the quarter when he scored on a roll-out to the right side from 15 yards out, capping a 63-yard drive.

The West Forsyth defense turned the tables on Parkland in the second half, keeping them out of the end zone for the final two quarters.

The major change the Titans made at the half was to insert new faces into secondary, which had been burned by long passes in the first half. Travis McCune and West played major roles in helping to shut down Parkland's air game in the second half. McCune had an interception which set up one of WF's scores.

"For us, the first half was the worst we've had all season," said Al Kayler, West Forsyth coach. "So at the half, I told our guys to just focus on what had to be done. They responded well to the challenge."

West finally got on the board when Phil Piper raced 80 yards to paydirt with the opening kickoff in the third quarter. Later in the quarter, Chad Southern's four-yard TD run closed the gap to 20-14.

With one second left in regulation, West pulled a rabbit out of the hat with a last gasp 40-yard touchdown pass from Brian Mayer to Brad Bovender which tied the game at 20, forcing the overtime. Bovender came up with the catch in the right corner of the end zone after the ball had been initially tipped by Piper.

"We're extremely pleased that our players never gave up," said Lewallen. "They hung in there and battled. That's a sign that we're maturing as a football team."

The Titans were clearly disappointed with the game's final outcome. But for Kayler, the way his team played was more than satisfactory, even in defeat.

"I feel that we were winners regardless of the score," said Kayler. "Having a lot of 14 and 15-year old players on a team that came back like they

"WE DON'T THINK THEY SHOULD SMOKE"

That young people and smoking don't go together has long been the position of the tobacco industry. And the industry has recently launched aggressive new programs with the express purpose of putting cigarettes further out of reach of young people. Here's what we're doing:

- Supporting state laws that would prohibit the sale of cigarettes to those under the age of 18.
- Supporting state legislation to require supervision of vending machines in locations frequented by minors.
- Requiring cigarette ads on billboards to be at least 500 feet from any elementary, junior or senior high school or children's playground.
- Sharply limiting the distribution of product samples and premiums.

IT'S THE LAW
WE DO NOT SELL TOBACCO PRODUCTS TO PERSONS UNDER 18

To help retailers enforce state laws prohibiting the sale of cigarettes to minors, we are providing a sign like the one shown here for display where cigarettes are sold. There is also a new booklet available from The Tobacco Institute for families with young children. It's called "Tobacco: Helping Youth Say No." It helps parents help their children resist peer pressure to smoke. For a copy write to R. J. Reynolds Tobacco Company, P.O. Box 1207, Winston-Salem, NC 27102.

R. J. Reynolds believes that these new tobacco industry programs will help young people understand that smoking is NOT part of growing up.
