## Chronicle correction

In an article in the November 28 issue of the *Chronicle* headlined "NWOA Celebrates with Fashion Show," three errors were made.

The first was in the sentence "The evening featured models in four scenes: church, casual, formal, and fun." "Fun" should have read "fur."

The other two misspellings of two ladies names, Percy Yarbrough should have read Percy Yarborough and Will Kennedy should have read Willie Kennedy.

We apologize for these oversights and recognize that the manuscript submitted was correct and very neatly typed.
