

Announcing A New Way To Purchase Cars And Trucks  
From FLOW CHEVROLET, INC.

# THE ONE PRICE IS THE BEST PRICE

At Flow Chevrolet, we are doing something completely new. Now, every Chevy and Geo is clearly marked with the One Price/The Best Price sticker. This is the lowest price you can buy the vehicle for. We've taken the haggling totally out of buying.

Our customers tell us that one of the most unpleasant aspects about purchasing a vehicle is the negotiating process — so, with that in mind, we have decided to completely change the buying process that takes place for cars & trucks. Our **ONE PRICE IS THE BEST PRICE** policy means that you get our best price with no haggling... Clearly marked on every vehicle is the lowest price that we will sell each vehicle for. No longer do you have to wonder if you got a fair price or if you paid more than someone else did. **ONE PRICE IS THE BEST PRICE** policy will insure that you don't pay too much or more than the next person. Our goal is to create a hassle free, haggle free buying process that puts the fun back into choosing the car or truck you want to own.
