

North Carolina Double Dutch Championships

Winston teams dominate

By Chronicle Staff

Teams representing Winston-Salem dominated the field at last Saturday's State Double Dutch Tournament held at Winston-Salem State.

In all, 29 Winston teams qualified to compete in the International Double Dutch Classic which will take place on June 27 at WSSU. Teams qualified for the classic by finishing among the top five in each grade division in singles and

doubles competition. A total of 74 teams participated in this year's tournament, surpassing last year's total of 60.

"The competition was outstanding," said Mattie Peebles, State Double Dutch Coordina-

tor. "The teams were better in terms of the quality of jumpers on the floor. The skill level continues to improve."

Another plus for the tournament, said Peebles is the increase in spectators. She explained that much of that increase is due to more parental support.

"But there's more to it than just mom and dad," Peebles added. "It's good to see so many family members coming out to watch the kids compete. You have brothers, sisters, uncles, aunts, cousins, and other kin people coming out. That's the kind of support these kids need and it really helps the Double Dutch program."
