

Eagles, Vikings headed for showdown

By Chronicle Staff

Two days are left in the regular season of the High School Summer Basketball League and it looks like East Forsyth and North Forsyth will be the teams that will battle for the regular season title.

On Monday, the league tournament begins with a full slate of opening round games starting at 4 p.m. The tournament format is single elimination with no first round byes.

First round seedings for the tournament will be based on regular season finish — first place vs. eighth place; second place vs. seventh place; third place vs. sixth place; and fourth place vs. fifth place. (Please see schedule for game times and dates).
