### LADY DAY AT EMERSON'S BAR & GRILL

BY LANIE ROBERTSON

The Billie Holiday story as only she herself might tell it — a celebration of life set against the intimate backdrop of a New York City jazz club backed up by her own "boys in the band."

JACKÉE, Emmy award winning star of television's *227* and *Royal Family*, and featured actress on *Designing Women*, and *The Women of Brewster Place* returns to her native North Carolina to recreate the legend of beloved jazz singer, Billie Holiday.

Directed by George Faison, Tony Award winning director of *The Wiz*.
