What Good Is Owning A House If You Can't Get The Money To Repair It?

A leaking roof, bursting water pipes, or rotted porch can take the fun out of owning a home. Especially when you have to borrow money to fix it.

But here's some good news.

If your household income is less than \$27,500, you may qualify for our special Home Improvement Program, which lets you borrow

Visibly Committed

The work of the National Association for the Advancement of Colored People (NAACP), the Opportunities Industrialization Centers (OIC) of America, the National Urban League, and the United Negro College Fund (UNCF) is essential to the communities they serve. That's why R.J. Reynolds Tobacco Company is committed to their continued growth. No where is this support more visible than in the R.J. Reynolds Public Service Billboard Program.

This program makes available to these organizations hundreds of high visibility locations in dozens of cities coast to coast.

As a result, more awareness is focused on the vital community development work they carry out.

This is just one of the many ways R.J. Reynolds, in cooperation with numerous billboard companies, is demonstrating its longstanding commitment to African-American progress.
