

# McCauley Wins Player of the Month

Because one of my articles was not published two weeks ago, some of this information is printed to do justice to those whose winnings must be made known.

Reginald McCauley won "Player of the Month — September" by racking up thirty-six points with four first place wins and four second place wins. Inez Gerald followed in second place with twenty-seven

Major, by Shirley Silverman). The recently married couple (September 5, 1992) studied privately under Rudolph V. Boone Sr. and received certificates of satisfactory completion on Monday, Oct. 19. Congratulations to the fine couple. May they continue to use bridge as a recreational means to enhance a long and happy relationship!

Charles and Irma Gadson were the only local players to participate in the "Columbus Weekend Sectional, held in Columbia, Md., Oct. 9-12. Richard Bowling and Treana Adkins (Greensboro) were the only other Triad Bridge Unit membership to attend and participate in this event.

It's a fact that many local players are preparing to participate in the upcoming "Metrolina Grade A Tournament" on the weekend of November 13-15. In spite of the fact that some tournament are rather close together, we will have to support our sectional events.

The month of November will be "Election Time" not only for national, state and local political offices, but for Triad Bridge Unit officers also! If you know of persons that would help the organization, in certain positions, feel free to submit the names and positions to Charles W. Gadson, who is chairman of the nominating committee for the unit. Don't just vote, but vote wisely! Be sure to vote on Nov. 3 in the general election! We need honest and dedicated leaders.
