

Men's Track

St. Aug wins 13th Straight Title

When it comes to men's track and field, at least in the CIAA, everyone seems to be running for second place.

So that St. Augustine's won the CIAA conference title in Hampton is no surprise.

St. Augustine's has won 13 straight CIAA titles, with this one coming on Hampton's Armstrong Field.

St. Augustine's blew away the field, finishing with 339 points. Somewhere in

the Falcons' rear-view mirror was second-place Hampton with 59 points.

That difference, so you won't have to add it up at home, was an amazing 200 points.

The big gun for St. Aug's, if you really have to find one, is Randall Evans. Evans was named meet MVP in the running events after winning the 100 (10.3 seconds) and 200 meters (20.69). Evans also ran a leg of St. Aug's winning 400-

meter relay.

The field events MVP also came from — surprise — St. Aug's.

Burnice Cross won the shot put and the discus events at the meet.

In the women's championships, Norfolk State kept St. Augustine's from winning two titles.

The Spartans finished with 187.5 points to win.

St. Aug's finished with 141 for sec-

ond. Hampton was third with 91.5 points.

Norfolk's Karen Sinclair was named MVP of the running events.

Sinclair won the 1,500 meters (4:53.0) and the 800 (17.6) as well as running a leg of the Spartans second-place 1,600-meter relay team.

Keonya Harris of Hampton and Norfolk's Angela Williams tied for the field events MVP award.
