

R.H. Barringer Sponsors League

The Reds take first place in tournament and league action in the Winston Lake YMCA Senior League after defeating DRT in championship games with four overtimes. The Reds are coached by Hansel Hentz, director of Kingston Green Recreation Center.

R.H. Barringer, sponsor for the Winston Lake YMCA Men's League, gives a check for \$2000.

Crystal Towers Shuffle Board

Crystal Towers has a special shuffle board event every Tuesday morning from 8 a.m. until 10 a.m. at the Crystal Towers Apartments. It is for anyone who is at least 50 years old. Steve Atherton is program director. (L. to r.): Theon Vance and Jack Anderson play in competition at Tuesday's game. Vance recently returned from Louisiana, where he took fifth place in the national shuffle board competition.

Tri-City from page A1

boys division.

In the Alumni Tri-City Relays, ages 19-26, 1st place went to Sonny Weeks, Derrick Speas, Pablo Smith and Julive Reese with a time of 43.4 seconds.

Sonny Weeks took third place in the 100 meter dash.

In the 30-39 year-old division, David Smith took 2nd place in the 400 meter dash with a time of 57.7 seconds. He also took second in the 800 meter run with a time of 2:15.0. Donald Blackman finished fourth in the 100 meter run.

In the 60-69 division, Reggie Powell finished 2nd in the 800 meter run and the 1500 meter run.

Football and Cheerleader Sign-ups

The 1993 Walkertown Wolfpack football and cheerleader sign-ups are to be held July 10, 17, 24, and 31, from 10 am until 2 pm at Centura Bank in Walkertown, next to Hardee's.

Ages range from 5 to 15 years old. Physicals will cost \$10. To join the flag team, the price is \$35.

Each child will need his report card (4th quarter) and a copy of his birth certificate.

For information contact John Jahmer at 767-7103 or Hubert Crosby at 744-7468.

Are you interested in Plastics Manufacturing Technology?

Plastics Manufacturing is one of the fastest growing technologies in the Triad Region. Davidson County Community College, in cooperation with other technical/community colleges in the Triad Region, is exploring the possibility of starting a regional Associate in Applied Science degree program in Plastics Manufacturing Technology. This program would be open to individuals wanting to enter wanting to enter plastics manufacturing occupations as well as those already employed in plastics manufacturing. Students would obtain general education and related classwork through their local community college and special plastics manufacturing coursework through Davidson County Community College. Courses would be offered both day and evening. We need to know the level of potential student interest in a plastics manufacturing technology program. If you or someone you know would be interested in enrolling full-time or part-time in this program, please contact us.
