STATE OF NORTH CAROLINA JOB CORPS Recruiters are conducting interviews in all 100 counties to help 22-24 year old men and women enroll in residential job training at Job Corps centers. Due to tremendous public response expected from federal decision to raise the age limit, we suggest that you call the state government Job Corps hotline rather than cause traffic jams at your county at your county department of social services, where the state Job Corps recruitment schedule is posted. The only number that you and your friends will ever need to call to enroll in Job Corps, or to get Job Corps recruitment information, is 1-800-662-7948. Job Corps is still free, and still serves low income, out-of-school 16-21 year olds; still pays you allowances!

MECHANICAL DRAFTER AutoCAD experience is the key to this position. This person will prepare detailed drawings of mechanical designs. An associate degree in drafting and two or more years of experience will qualify you for consideration. Performance will be given to those with HVAC experience.
