

That Keeps on Giving

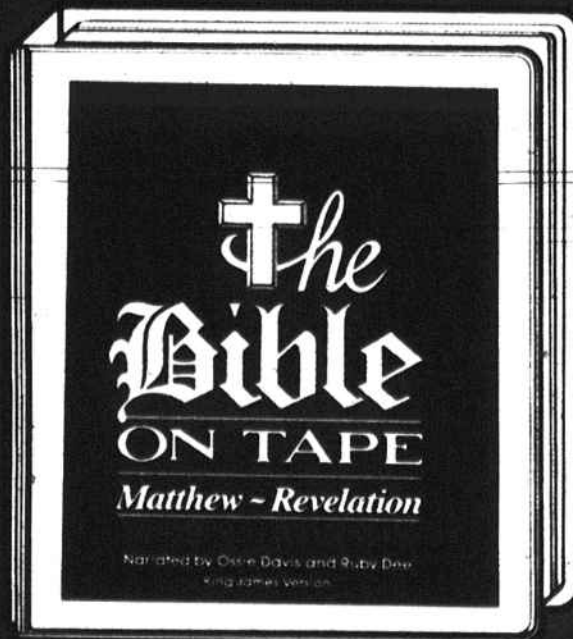

New Testament—King James Version
 The New Testament's powerful teaching unfolds in the eloquent narration. It will not only read at Christmas but guides you, chapter by chapter, through the inspiring holy document.

Now THE WORD is available for all to hear—those who have time to relax or those on the go. Listen to that voice in the car or on morning walks. THE BIBLE ON TAPE is indeed the perfect gift for all seasons—Christmas, birthdays, weddings, bereavement etc.—a meaningful way to bring the Gospel into the lives of loved ones.

Two of the world's most gifted narrators, Orlan Davis and Ruby Dee are the first African-American couple awarded the greatest acting award of all. With masterful delivery, the picture and stage results. Davis and Ruby recognized the world over for their contributions to American culture. As members of the NAACP Hall of Fame, they bring a genuine commitment to human and civil rights. Listen only. "It's the gift that will truly touch the heart and mind of someone you love."
