In the Annual Meeting of the Triad Bridge Unit, although the proposal to have a North Carolina AAA Bridge Tournament in 1995 was approved by the four clubs and the Executive Board of the Triad Bridge Unit, the matter was put to a vote and passed by a majority.

Durham and Charlotte had previously approved having the N.C. Triple A. This means, simply that in 1995, there will be only one Grade "A" Tournament in North

Carolina. In the past years, Grade "A" Tournaments were held in Durham, Charlotte and Triad area (three). The national office has strongly suggested having only one Grade "A" in each state during the past few years. No other

Thanks to all members of the Unit for supporting this decision and the event. The idea is to, at least try the "N.C. AAA" and see if the three areas will profit from such arrangement. In the past years, Durham and Charlotte have lost money on some of their Grade "A" Tournaments, while the Triad Bridge Unit made money. The event will require expert planning and working together in a timely fashioning to insure success. We can do it!

Results of the Metroline Grade "B" game and the local Grade "C" game will be reported in the next issue. The Metroline game was held Saturday in Charlotte. The Grade "C" game was held at the Carl Russell Recreation Center on Monday sponsored by the two local clubs. Be on the lookout for the exciting results!
