## Church Launches Campaign To Raise Funds

The Shilohian and St. Peter's Child Care Center.

The Shilohian & St. Peter's Child Care Center has launched an enhancement campaign to raise funds for its expansion program. The board of directors of the corporation has set a goal of \$200,000 for the campaign. In conjunction with the campaign, the child-care center will celebrate its tenth anniversary. The center was a vision of the founding fathers of Shiloh Baptist Church and the St. Peter's Outreach Center. On March 8, 1984, Shiloh and St. Peter's reached an agreement that resulted into the Shilohian & St. Peter's Corporation. After numerous deliberations, the corpo-

ration purchased the closed Brown Intermediate School from the Forsyth County Board of Education. Currently, the child-care center occupies the Old Brown School which is located on the corner of North Highland Avenue and East 12th Street.

Initially, the center opened its doors with only four children and

two volunteer staff members in 1985. Ten years later, the child-care center is preparing for a license increase from 338 to 456 children and from 50 to 70 staff members. The relentless efforts of the center's leadership are a true testament of love and care for our children. Most of the parents of children who are enrolled at the center receive social

services assistance, therefore, they are not financially able to afford child care. In fact, the families role of Shilohian & St. Peter's Child Care Center becomes even more important to parents. The affordable and quality child care services provided by the center for their children makes it possible for the parents to work.
