

# Grier Spreads Goodwill By Giving Christmas Gifts to Local Residents

This is Oloff Grier's third year giving Christmas gifts to children.

Grier has selected to give gifts to children in seven kindergartens and three senior citizen homes—totalling over 2,000 gifts.

The kindergartens are: Sarah Austin Headstart Center, TLC (Tender, Loving and Care Facility), Mt. Zion Child Development Center, Wonderland Acad-

emy, Shilohian & St. Peter's Care Center, Franciscan Child Development Center, and Bethlehem Community Center.

The senior citizens homes are: Sunrise Towers, Crystal Towers and University Place.

Preparation involved purchased of 350 pounds of candy, 50 bushels of fruit (apples and oranges), 2,000 boxes of raisins and over 2,000 stuffed animals.

The gifts will be delivered

on Tuesday, Dec. 20 between the hours of 10:00 a.m. and 4:00 p.m. Grier will have assistants helping—yes, Santa will be there.

Grier is a member of Hanes Memorial C.M.E. Church where he serves on the Senior Steward Board and the Senior Steward Board.

Hanes Memorial wishes God will continue to bless this senior man of goodwill.

# Save Money Making Christmas Gifts

It's not too late for making your Christmas gifts. From experience, making your own gifts saves money, saves decision making, shopping time, and you can give love and add your personal touch.

Most people like to receive something handcrafted from the heart. That's why it's important to take advantage of classes and workshops on do-it-yourself projects. You can learn things of lasting value. A lot of the craft classes at the recreation center, cooperative extension services, civic centers and community colleges, can prepare you with useful skills in making gifts and doing other things. Often you do not need special talent to make hand-crafted items. For those last minute gifts you do not have money to purchase, try using your own creativity in making those gifts.

Try making gifts from the kitchen. Look at candy recipes in your cookbook. Some of these recipes consist of things you already have on hand. A lot of the candies include using ingredients such as cornflakes, popcorn, peanuts, pecans, raisins

and bran cereals. Use these recipes in making tidbits and put these in pretty recycled containers and dress it up with curled ribbon, ruffles and flowers.

Make up a care package for a college student, a shut-in or a person in need. The care package could consist of a variety of items. Some ideas for a care package are a basket of canned goods, cereals, and staples from your cupboard.

and other pieces to come up with new items. Glue the pieces together with a cement invisible glue. Buy the pin back fasteners and earring clips from a craft shop or recycle fasteners from old jewelry.

If you sew make scarves, pillows, placemats and wall-hangings. There are a lot of accessories for clothing and for the home that do not require sewing.

## HOME ECONOMICS

BY JOANN J. FALLS

Other items for a person who likes to cook: spices, herbs and staples.

These packages can always be dressed up to look festive.

Make jewelry for the ladies on your list.

Use buttons, old beads, recycled jewelry, and coins. Some people have jewelry that they have not worn in years, recycle the jewelry by using the stones

A lot of simple, no sew methods are used today with fabrics.

Lots of no sew items can be made with an adhesive iron on webbing that bonds two pieces of fabric together.

These adhesives are known as transfuse wonder under or stitch witchery.

These fusibles can be purchased at fabric shops.

# Geralds & McCauley Take First Place

The overall Flight "A" winners in the Grade "C" Tournament held at the Carl H. Russell Recreation Center on Monday, Dec. 5, were:

First Place=Inez A. Geralds and Reginald McCauley-93.7
