Vantage Championship to Assist Construction of Handicapped Playground

The Vantage Championship will donate \$25,000 to Tanglewood Park over the next two years to assist with the construction of Tanglewood's new handicapped accessible children's playground. The contribution is another example of how the Vantage Championship supports the Forsyth County community, according to the tournament's director.

"The Vantage Championship has been so successful because of the community support we have received over the years," said

Vantage Director Linwood Taylor. "We are proud to have the opportunity to give something back to the community by providing Tanglewood Park the resources to work on such a wonderful project."

"A handicapped accessible playground will be a great addition to Tanglewood Park," said Lash Sanford, General Manager of Tanglewood Park.

The Tanglewood addition will be carefully designed for children who are both physically and mentally challenged.

Special consideration will be

given to making sure the playground is safe, while at the same time fun.

"Without the support of the Vantage Championship, our dream of providing a handicapped accessible playground would not have been realized," said V.I. Flow, Chairman of the Forsyth County Park Authority. "Thanks to their generous support, Tanglewood will become a leader in providing a place for physically and mentally challenged children to enjoy the outdoors in an environment specially suited to their needs."
