Peoples' Rushing Leads Carver

◆Yellow Jackets win fourth consecutive game, remain unbeaten in conference

Shawn Peoples ran for 120 yards and Carver set the game's tone on its first offensive possession as the Yellow Jackets remained undefeated in North Piedmont 3-A Conference junior varsity football with a 32-6 blowout of homestanding Trinity Oct. 19.

The victory was Carver's fourth straight, raising its conference record to 4-0. The Yellow Jackets stand 6-2 overall.

"We are playing together. You can see the unity among the players," Carver coach Darryl Hall said. "They are playing as one. Winning helps, but we have also had the repetition of almost an entire season and that has contributed to our success. But maybe most important is the players believe in what we are

doing." Carver wasted little time exerting its muscle, scoring on the game's first offensive series when quarterback David Cole hit paydirt on a sprintout and added the PAT for an 8-0 lead.

The Yellow Jackets made it 16-0 when Tauric Rice took a toss around right end for a 17-yard touchdown and converted the extra point. Trinity scored on a 15-yard tight end dump pass to slice the lead to 16-6 before Carver scored with 28 seconds remaining in the first half when Cole connected with Terry Brown on a 45-yard scoring pass. Rice converted the extra point for a 24-6 halftime lead.

"Our goal going into the game was to score early," Hall said. "In our last seven games we scored late and I wanted us to score early to build morale and get a lead so other guys could play in the second half. In that

respect the touchdown right before the half was important for us."

The Yellow Jackets started the second half like they opened the game, scoring on their first offensive possession when Peoples turned a dive play into a 75-yard touchdown scamper for a 32-6 advantage as Rice ran for the extra point.

Carver played without three defensive starters who were sidelined because of disciplinary reasons. Yet, the defense didn't skip a beat.

"I wasn't concerned going into the game about the three missing starters because our backups can do a fairly good job," Hall said. "The starters and backups are all about equal in talent. About the only difference is the backups don't have the experience, so I expected some mistakes. But we didn't miss a beat without those three guys."

Spartans Make the Most of Limited Opportunities

Mount Tabor made the most of its limited offensive possessions Oct. 19 to beat visiting South Rowan, 13-0, in Central Piedmont 4-A Conference junior varsity football.

The Spartans, leading 7-0 on the strength of Walter Hauser's 40-yard first-quarter touchdown run and Zach Aldridge's extra point, touched the ball once in the

third quarter, but made the most of it when Hauser sped 75 yards on a right sweep to give the Spartans some breathing room at 13-0.

"They had the ball all night," Mount Tabor coach Lonnie Pulley said of South Rowan. "We didn't have the ball that many plays. The defensive coaches got on me because the defense was on the field so much, but I'll take scoring on big plays any day."

The Mount Tabor defense came up with a couple of big plays of its own when David Kaplan intercepted a pass on the

Spartan 25 to stop a South Rowan drive in the second half with Mount Tabor clinging to a precarious 7-0 lead. Antoine Hughes picked off a pass on the Raiders' next series to stop another drive.

"Those were big plays for us because South Rowan was driving both times," Pulley said.

The Spartans, winners of seven games in a row after a season-opening loss to North Forsyth and the owner of a 4-0 conference record, got another big game from Hauser, who rushed for 140 yards on six carries.
