

# Masons and Eastern Stars Celebrate Kid's Day

The 30th District Masons and Eastern Stars worked together to make September 30 a special day for approximately 2,000 kids.

Rupert Bell Park was the scene of happy faces and proud kids.

The masons began the event with a march from the Prince Hall Masonic Lodge on 14th Street to the park.

The march culminated at 10 a.m. at the grand stand in the park and was followed by a short devotional service, led by the Rev. Brother Samuel Cornelius of the New Jerusalem Baptist Church. Sis Pat Landingham and Brother Benjamin Piggott served as mistress and master of ceremonies and directed the activities.

Activities included game booths, entertainment, free food and drinks and free school supplies, including book bags, paper, pencils, and toys.

Hot dogs, hamburgers, pizza, donuts, oatmeal cookies and drinks were in abundant supply.

The children's favorite, the clown was on hand to bring giggles and make funny balloon animals for the kids.

Face Painting attracted many of the kids, young and old. Entertainment was provided by: prep students from the NCSA, Best Choice Center and Housing Authority Community Outreach Choir in the direction of the Rev. Wilkins; K-9 Squad (a local rap group); Ted Adams and his guitar; Sons of Joy; Morning Star Young Adult Choir; and the Knights of Pythagoras Precision Drill Team.

## Our Used Cars Beat Some New Ones

Before you dismiss that as the usual automotive hype, consider one important fact. We offer one of the strongest warranties in the business. A warranty that surpasses many others because it is on the car that has been the standard of excellence for more than 90 years.

Not every car qualifies for the program. First, we have to certify the Cadillac. Once we do, whoever buys the car gets an extended bumper-to-bumper warranty. The only

thing that doesn't come with the certified pre-owned Cadillac is worry and concern.

So, if you have been wanting a like-new Cadillac, one that is showroom-sharp, come by and browse. Look over the cars that qualify for the program and ask all the questions you wish. We can tell you everything you want to know about these dependable, distinctive, elegant automobiles.

And you can drive away in a car that has no equal in looks or warranties.

Cadillac. Creating A Higher Standard
