

Teens Bring Joy To Nursing Home Over Holidays

The Winston-Salem Chapter of Top Teens of America brought an abundance of joy the residents of Knollwood Hall Nursing Home on Shattalon drive during the holidays.

Working merrily together, the teens assembled and decorated Christmas trees to help get everyone into the Christmas spirit.

Before the evening was over, Christmas carols filled the room as the teens and some of the residents greeted each other.

It was an evening that was filled with Christmas joy as both the residents and teens enjoyed the evening's activities.

Trimming Christmas trees at a local nursing home is a tradition that the Top

Teens engage in each year.

Top Teens of America is one of four thrusts of Top Ladies of Distinction, Incorporated, a national, professional and humanitarian organization.

Teen Jason Ruff is President of Top Teens of America.
