

# Money Back Guarantee

Our cars are backed by a solid, money-back guarantee—if you don't like the car you buy, you can return it within 3 days or 300 miles and get your money back.

## No Negotiation

At Smartcars our prices are discounted up front—the price you see is the price you pay. Our sales people are salaried, so you won't have to waste your time haggling.

## Indoor Showroom

Shop in comfort! Our climate-controlled indoor showroom has space for 70 cars. We make car buying a new-and-rewarding experience. That's Smartcars!

## 30-Day Warranty

Every vehicle we sell comes with a 30-day bumper-to-bumper mechanical warranty. If the car you buy has an existing factory warranty remaining, it's passed on to you.

## Six-Month Service Contract

If the factory warranty has expired, we provide you with a 6-month, 6,000-mile power-train service contract at no additional charge. It's time to get Smart!

## 400 Used Cars & Trucks

Selection won't be a problem. Your car might be one of the 70 on our show-room floor or one of the hundreds on our lot. And all our cars and trucks are priced below NADA book value.
