MODERN'S USED CAR SUPERSTORE

### Money Back Guarantee

Our cars are backed by a solid, money-back guarantee — if you don't like the car you buy, you can return it within 3 days or 300 miles and get your money back.

### No Negotiation

At Smartcars our prices are discounted up front — the price you see is the price you pay. Our sales people are salaried, so you won't have to waste time haggling.

### 30-Day Warranty

Every vehicle we sell comes with a 3-day bumper-to-bumper mechanical warranty. If the car you buy has an existing factory warranty remaining, it's passed on to you.

### Six-Month Service Contract

If the factory warranty has expired, we provide you with a 6-month, 6,000-mile power-train service contract at no additional charge.

### Indoor Showroom

Shop in comfort! Our climate-controlled indoor showroom has space for 70 cars. We make car buying a new-and-rewarding experience.

### 400 Used Cars & Trucks

Selection won't be a problem. Your car might be one of the 70 on our show-room floor or one of the hundreds on our lot. And most of our cars and trucks are priced below NADA book value.

### 130-Point Check

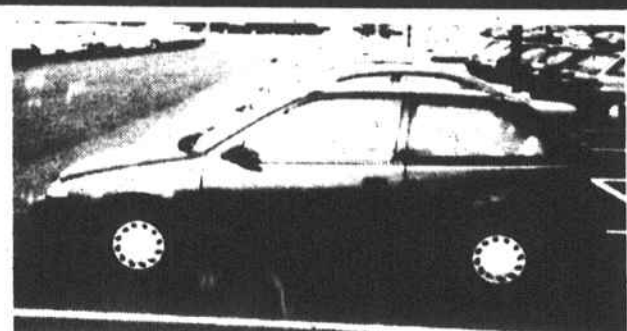

Every vehicle has been thoroughly inspected by our trained service technicians. It has to pass our 130-point "No Exception Inspection" or we won't sell it.

### Self-Serve Computer

Browse our computerized inventory — complete details and pictures of every vehicle — at your fingertips.
