

Sims Recreation Center kids enjoy trip to Panthers game

A group of kids and adults from the William C. Sims Recreation Center were recently treated to an evening of fun and excitement when they were given an opportunity to watch the Carolina Panthers take on the Denver Broncos in an NFL pre-season football game at Ericsson Stadium in Charlotte.

The trip was sponsored by Coca-Cola as a part of a positive incentive program at the Sims Recreational Center to push children into positive fun educational program during the summer.

The children chosen to make the trip were rewarded out of 100 children who took part in the Sims Center Summer Program.

In addition to watching the game, several had a chance to have fun taking part in other activities. Jacques Bitting (10) and Chris Bitting (6) had their faces painted Panther style to fit the Pro Football Special occasion.
