Rainbow Tabernacle of Faith Ministries International sponsors Holy Assembly

By FELECIA R. MCMILLAN
Special to THE CHRONICLE

Rainbow Tabernacle of Faith Inc., 4091 New Walkertown Road in Winston-Salem, was founded by Dr. Barbara Jenkins in 1984. From its humble beginnings as a prayer fellowship, the church now serves as Jurisdictional Headquarters to nine churches and five separate ministries. During the week of Aug. 10-17, the churches and ministries assembled at the Adam's Mark Winston Plaza in downtown Winston-Salem.

The theme of the Hagios Ekklesia (holy assembly) was "Substance of His Glory ... Patterns of Divine Design," based on Psalm 139:13-15. The week marked the 13th annual Holy Assembly of Rainbow Tabernacle of Faith Ministries International Inc. According to Jenkins, the Holy Assembly was "called out and ordained by God as a time for all the children of God to come together in one place, on one accord, to be mounted up for another year of service."

During the course of the week, the congregations looked to the Holy Spirit "to restore and regenerate his people and impart a deeper revelation of the knowledge of who [they] are." Dr. Barbara A. Jenkins, presiding prelate and overseer,

Elder Juanita Jenkins (left) of the Gospolettes and Overseer Barbara Jenkins greet one another before the "A Night with the Stars" celebration.

"We grow from glory to glory, and it's very profound to know that we were chosen before our birth and tailor-made in heaven to be placed on display as substance of his glory and patterns of divine design."

— Dr. Barbara A. Jenkins

delivered the opening address Wednesday, Aug. 13, on the theme. "We grow from glory to glory, and it's very profound to know that we were chosen before our birth and tailor-made in heaven to be placed on

display as substance of his glory and patterns of divine design," she said.

During the week, participants enjoyed the workshops and worship services. Speakers and delegates flocked to the

Adam's Mark from 13 different states, including Illinois, Georgia, Ohio, Delaware, Indiana, Virginia and South Carolina. Friday night the Gospolettes from Fayetteville, N.C., and The Gift of Praise from Chicago, Ill., took the assembly to another level through song at the annual "A Night with the Stars" celebration.

The slogan of Jenkins and the assembly was "God cared enough to send his very best." Other ministries under the rainbow include Rainbow Institute of Commensurate Studies, Spotlight on Truth International, Rainbow Crusade Ministry, Rainbow Urban Ministry, and Rainbow Prison Ministry, on both national and international levels.

Questions & Answers on
recovering from grief *

Questions asked during bereavement counseling are answered by the editor of Afterloss, the grief-recovery letter.

Q. When someone you love dies, it seems that you will never be happy again. Is this so?

A. There is an adjustment phase to every major change in our lives. The return to a joyful existence can certainly be attained. Some achieve this happiness sooner than others, and for a variety of reasons. These include (but are not limited to): (1) a willingness to take the steps required to work through your grief; (2) your own personality structure; (3) your tenacity and (4) the new opportunities that may subsequently emerge.
