

*“Only the
third-best car seat
for my baby.”*

It's certainly not something many parents would say.

Especially when it involves something as important as their children's health care.

At Brenner Children's Hospital, part of Wake Forest University Baptist Medical Center, you can have peace of mind knowing that your child is being cared for by doctors who are among the best in the nation.

Our medical center was the first in North Carolina to establish a Center for Adolescent Medicine, addressing the unique health care concerns of children and young adults. And, Brenner is staffed with 60 full-time physicians who are trained in all medical and surgical pediatric specialties. From delicate operations, such as pediatric brain surgery, to dealing with cancer in adolescents, our staff is committed to provide excellent support and care for you and your loved ones. Which means that if you want quality care for your family,

choose a health care plan that gives you access to Wake Forest University Baptist Medical Center and our many affiliates throughout Western N.C. To make an appointment or to learn more about us, call our Health On-Call™ information line at 1-800-446-2255. Or visit our website at www.bgsm.edu.
